Tour Crowds Small

Called 'Success' By Officials

By DON WALTON
Star Staff Writer

The afternoon open houses at the City Hall, the County Courthouse and County Jail Sunday attracted small crowds, mostly composed of family groups.

Approximately 70 persons toured the City Hall. County Commissioner Russell Brehm reported that "several hundred" persons went through the county buildings.

League of Women Voters members, who provided guides and passed out literature at the buildings, and city and county officials attributed the small crowds to the uncomfortable heat which pushed the temperature in Lincoln to the high 90s Sunday afternoon.

Weather Cited

Brehm called the open house a "success," explaining that he was "satisfied, considering the weather." C. C. Kimball, Lincoln realtor and a spokesman for the Lincoln Civic Progress Association which is favoring the city-county building bond issue, said that the crowd was "satisfactory" and added that its size was an indication to him that the literature favoring the building had "built confidence" in the people of Lincoln that the need for the city-county building was obvious.

Many city and county employes who helped explain their needs to visitors stayed in the buildings during the open houses. Brehm said that every county department head was present at the Courthouse.

Refreshments Served

The League of Women voters served punch, coffee and doughnuts to visitors, who were taken on guided tours of the buildings or wandered about freely if they wished.

Asked how he thought the election would go Tuesday, Brehm said that he expected a "big turnout" and that city and county officials "had presented the facts, and the voters will vote accordingly." He added that the visitors who toured the buildings Sunday were "impressed with the need for the new building."

Kimball said he was "optimistic" concerning the Tuesday vote.

Election Procedures Are Readied

The stage is all set for a show by voters of their preferences in favor or against four propositions —including three bond issues totaling $10,540,000—they will find on the two ballots Tuesday.

Total vote estimates of Election Commissioner Harold Gillett and Deputy Pat Boyles have hit between 20,000 and 25,000 persons. Nearly 50,000 people are registered to vote within Lincoln and another estimated 9,000 potential voters are found in the county's rural areas.

The largest turnout at any previous special lelection was 16,256 at the February, 1955 election on the $10 million school bond issue.

Some problems at the polls Tuesday were expected due to the different times that will be in effect. Voting on the proposed city-county building $4.5 million bond issue will be from 8 a.m. to 8 p.m. The proposed site for the joint building is 15th and L.

However, the polls will be open only from 8 a.m. to 7 p.m. on the three proposals on the city ballot. These are the proposals for a $1,240,000 bond issue for a new main library, a $4.8 million bond issue for a new medical center and recreational development at 33rd and O and a third proposition to change rates and methods of publishing city legal notices.

A total of 837 absentee votes for Tuesday's election were recorded before the closing time last Saturday. Applications for ballots for disabled voters can be obtained up to 4 p.m. Monday.

Disabled ballots must be voted Monday and returned to the office of election commissioner no later than Tuesday. If mailed in, disabled ballots must be postmarked no later than midnight Monday.

Sewage Hole Divides Park, Pool

This is the spot between the University Place park and swimming pool, not more than one block from either, where the overloaded sanitary sewer coming from Veterans' Hospital spills over into Dead Man's Run. (Star Staff Photo.)

University Place Sanitation Threatened By Overloaded Sewers, Says Board Member

By BILL DOBLER
Star Staff Writer

A firm notice that "something has to be done" about the city's overloaded sanitary sewer system has been issued by George A. Knight.

A University Place banker and member of the board of Sanitary District 1, Knight asserted that the sewer situation has created an extremely offensive and unsanitary condition in the University Place park and swimming pool.

Knight referred to the overflow manhole at about 49th and Dead Man's Run which dumps a constant flow of raw sewage into the creek. The manhole relieves the big main sewer line which runs from Veterans' Hospital northwesterly through University Place and into the District disposal plant at 27th and Theresa.

The main line has become unable to carry all the sewage dumped into it. Much of the area within the line's drainage boundary has been developed with new homes within the past few years.

Recommendation

Relief for this and other lines has been recommended in a report to the District by Black & Veatch, consulting engineers from Kansas City, Mo.

Conditions in other parts of the city similiar to that found in University Place have been called to the attention of District and city officials as "potential health hazards" by the City-County Health Department.

Knight pointed out that when the hospital line becomes overloaded, raw sewage is dumped into the creek at the southwest corner of University Place park. This, he said, creates an offensive odor and a breeding place for all types of insects.

The area immediately surrounding the open sewage hole is literally alive with bugs and insects.

Backs Up

After being dumped into the creek, some of the sewage backs up to the east in the creek and lies in stagnate pools all along the south side of the park.

Most of the sewage, however, runs down the creek northwesterly, through the Agricultural College land and the west side of University Place, north under Cornhusker Highway and into Salt Creek.

Knight said he considered the sewer problem a city responsibility. He indicated, however, that the District has an interest in the matter if the city refuses to take action.

Knight has previously advocated enactment of a sanitary sewage charge, like any other monthly utility charge, to help finance a sewer improvement program.

City officials have never recognized the sewer problem by way of any corrective measures.

Panhandle Areas Are Stormy

Severe thunderstorms at Chadron and Sidney and a tornado late Sunday afternoon followed on the heels of a severe weather warning issued by the Omaha Weather Bureau.

Several persons reported to the Nebraska Highway Patrol late Sunday afternoon they had sighted a tornado cloud about 15 miles northwest of Sidney.

The Patrol said the tornado apparently did not touch the ground in a populated area and there were no reports of damage.

Chadron reported intermittent hail up to one-fourth of an inch in diameter and winds of 46 miles an hour with gusts up to 57 m.p.h. Earlier in the day dust had reduced visibility at Chadron to two miles.

Sidney had blowing dust and gusts up to 46 m.p.h. during a thunderstorm. Only a trace of precipitation was reported at Sidney and Chadron. Valentine had .03 of an inch of moisture.

There was also an unconfirmed report of a tornado at Dalton, 18 miles north of Sidney.

The severe storm warning area was 75 miles north and south of a line from 20 miles west of Chadron to Lexington. The thunderstorms ended at 11 p.m. Sunday.

Partly cloudy skies were predicted for Monday, with scattered thunderstorms scheduled during the day and due in the east and south portion of the state Monday night.

The Weather Bureau also predicted cooler temperatures in the panhandle Monday and in the west Monday night. Highs were to be near 90 in the northwest to the middle 90's in the southeast.

Lincoln had .05 of an inch of precipitation Saturday night, with Norfolk, Grand Island and Imperial each reporting a trace of moisture.

Mrs. Alma Swingle Dies At Age 61

Mrs. Alma Swingle of Rt. 1, Lincoln, died early Monday at the age of 61.

Among her survivors are two sons, Earl and Everett of Lincoln, and a daughter, Mrs. Evelyn Miller of Lincoln.

Overdose Of Empirin Said Suicide Attempt

An overdose of Empirin taken by a 30-year-old Lincoln waitress was labeled by police as a case of attempted suicide.

The woman's condition was described as not serious by St. Elizabeth's Hospital.

Adm. Ernest King Critical; U.S. Navy Chief In WW II

PORTSMOUTH, N. H. (AP)—Adm. Ernest J. King, wartime chief of naval operations, suffered a heart illness Sunday at Portsmouth Naval Hospital and his name was placed on the critical list.

Adm. King

His son, Lt. Cmdr. Ernest J. King Jr., who flew up from Washington to be with his father after the admiral was stricken at 3:30 a.m., told newsmen:

"It's not a heart attack but heart failure brought on by high blood pressure."

He said the admiral, who has not been in good health for some time, was "on oxygen and taking digitalis intravenously."

Adm. King, 77, resides during the winter at the Navy Medical Center at Bethesda, Md., and spends the summer at the naval hospital here.

Minneapolis Girl Dies From Burns

MINNEAPOLIS (AP) — A 6-year-girl died to become the eighth victim of a jet plane crash here June 9.

Lynn D. Greening was burned over 90 per cent of her body when the plane plowed into a group of houses near Wold Chamberlain Airport.

Three playmates remained in critical condition.

Lincoln Hits Record Power Peak Earlier Than Normal

Consumers Public Power District customers in Lincoln have increased electric power use to a new record peak at 57,000 kw about two months earlier than normal, according to H. L. Carson, operations manager of CPPD at Columbus.

Last Tuesday the new peak topped the previous record by 3,000 kw, and was about 6 per cent above last year's which was reached in September. New peaks were expected in July and August, Carson said.

"We have been expecting Lincoln load demand increases of 15 to 20 per cent during 1956." the Consumers official said. "Consumers has budgeted over $1 million this year to take care of load growth in Lincoln, and we are meeting construction schedules as planned," he added.

Improvements in Lincoln include new substation capacity at 27th and Pioneer, 31st and South, 56th and Garland, and 8th and J. Another major improvement includes reconstruction of a line from the 2nd St. substation to 21st and Y to transmit 34.5 KV. This will serve the Universtiy of Nebraska and several industries.

Consumers is spending approximately $100,000 to change overhead construction to underground which will increase the capacity in commercial areas, particularly the O-P alleys from 10th to 11th Streets, he added.

Now under construction is a 34 kv transmission line from 56th and Garland to 86th and Leighton, which will take additional power from a new substation under construction there.

NPPS is now constructing a 115 kv line from northeast Lincoln to 86th and Leighton to provide delivery of additional power to Consumers' circuits. This line may be completed by July 15.

'MR. AVERAGE' LAST YEAR MADE $5,500—A HIKE OF 3 PER CENT

WASHINGTON (AP)—If your family's total income last year was better than $5,520, then you were above average for the nation.

The Commerce Department said Sunday the average family income before taxes reached that figure in 1955—a rise of 3 per cent over 1954.

If you hit the average right on the nose, then you should have had $4,955 left after payment of federal, state and local income taxes. Federal taxes would have taken an average bite of $540 and the state and local income taxes would have hit you for another average $25.

The department's survey of current business said average income per family reached a new high last year both in current dollar value and purchasing power.

The report showed the total income of American families reached a record of 288 billion dollars last year—a gain of 15 billion or 5 per cent over 1954. This was on top of a two-billion-dollar total gain for 1953 to 1954.

Of the 52 million families in the United States, the department said, 23 million or about 45 per cent had before-tax incomes of more than $5,000 last year. It said about 7½ million or 14 per cent received incomes between $4,000 and $5,000, and about 21½ million or 41 per cent got less than $4,000.

STUART HITS 3 HOME RUNS

Dick Stuart slammed three home runs and his Lincoln teammates added five more in Amarillo Sunday as the Chiefs whipped the Gold Sox, 20-5.

The eight homers in the game set a new Western League Record. (For complete story of the game, see page 9).

Gives U. S. View To Soviet Brass After Jet Show

KHRUSHCHEV TEASES

MOSCOW (AP)—Gen. Nathan S. Twining told Soviet leaders Sunday night the United States is a peaceful nation but will not disarm again "until we are sure of worldwide arms control."

The U. S. Air Force chief, here by Soviet invitation to see Sunday's air exhibit that showed seven new Soviet fighter planes and a jet-propellor transport, spoke at a Defense Ministry party. Lavish toasts were drunk to President Eisenhower by the Soviet hierarchy.

Twining's statement came after Marshal Georgi K. Zhukov, Soviet defense minister, called in a speech for reduction of armed forces. Eisenhower tried arduously at the Geneva summit meeting last year to get the Russians to agree to disarmament with controls.

Note For Zhukov

Twining disclosed that before he left for Moscow Eisenhower telephoned him from the hospital to send his best regards to Zhukov. Eisenhower also gave Twining a personal message to Zhukov to be delivered Monday.

In a bottoms-up series of drinking toasts, Zhukov remarked that Eisenhower "does not forget his friends."

Nikita S. Khrushchev, Communist party chief, said "We hold him in high esteem. We believe he has the best intentions. But we do not hold in high esteem some of his collaborators."

Toast To Ike

Premier Nikolai Bulganin toasted Eisenhower as "a great man." Bulganin also drank "to another great friend, our friend (Sir Anthony) Eden," British prime minister. Then he voiced public thanks for U. S. aid to Russia during World War II, one of the few expressions of its kind ever made here.

Zhukov said he hoped Eisenhower would be back at his duties as soon as possible. Twining told him that would be in two or three weeks.

At one point, Khrushchev told Twining, "You are probably very interested in our rockets and ballistic missiles. You would like to see them, wouldn't you?"

Dramatic Silence

There was a dramatic moment of silence. Twining nodded agreement.

The Communist party boss slapped his knee and roared: "Well, we want to see yours, show us your planes and we'll show you our ballistic weapons . . . but we won't show them to you today. It is too early. We'll do it at some future date. You keep yours. We'll keep ours. We'll show you what competition is."

Twining said he was "quite impressed" with the Soviet Air Force Day show at Tushino Airport where three new types of fighter aircraft—two of them probably supersonic—were shown.

Then he went on to the garden party where the speeches and toasts followed.

Khrushchev told reporters at the party the new Soviet heavy jet bombers were not displayed "because we want to emphasize defense."

Wouldn't Tell

He would not say how many jet bomber types the Russians have. But he said they are working on a jet airliner capable of flying nonstop from Moscow to New York. It will be called the TU114.

He also said the Soviet Union will have an atom-powered plane, but when that will be "is up to our engineers."

In addition to the missiles competition Khrushchev spoke about, he said the United States and the Soviet Union should engage in economic competition.

'Tell It To Congress'

Twining said the United States would welcome it and suggested Khrushchev appear before Congress to tell it so.

"They won't let me in," Khrushchev replied amid laughter.

U.S. officials refused to respond to a Khrushchev toast to Red China. The British stood for the toast but did not drink it. Twining's disarmament—with controls—statement came early in the party.

Points To His Suit

"Peace and disarmament are not my business but nobody is more interested in peace and disarmament than the man who wears this suit," Twining said, pointing to his beribboned summer Air Force uniform.

"We know what war means and my country has proved through the years we are a peaceful people," Twining said. "We always got into wars very late.

"After the last war we disarmed completely. That, gentlemen, is disarmament," Twining said in pointed answer to speeches and toasts to peace and disarmament, which Soviet leaders had been proposing for four hours.

"We had to build up our forces again at Korea," Twining went on, "and we are not going to reduce them again until we are sure of worldwide arms control."

U.S., British and French diplomats and air force delegation heads, seated around the crowded table in the garden of the Soviet Army Club, applauded.

Zhukov read a speech of welcome in which he called on the big powers to "free humanity from fear of the future" by reducing armed forces.

Fiery Crash Kills 26

. . . In Nigeria

LAGOS, Nigeria (Monday) (AP)—At least 26 persons were killed in the flaming crash of a British Overseas Airways Argonaut plane Sunday night soon after it took off from Kano, Nigeria.

Three of the 18 survivors were injured critically. One man was missing.

Of the dead, 22 were burned so badly that they have not yet been identified.

The airliner was carrying a full load of 38 passengers—including several children—and a crew of seven. Two of the crew were among the dead, but the captain survived.

A BOAC spokesman in New York identified him as Capt. H. V. Tomlinson, 36, a Royal Air Force veteran.

Bound for London by way of Tripoli, Libya, the Argonaut crashed three miles from the Kano Airport and caught fire.

Like Queen's Plane

The four-engine airliner was similar to the one in which Queen Elizabeth II and the Duke of Edinburgh flew to Nigeria on their tour last January.

Another Argonaut operated by BOAC crashed and burned at Idris airport in Libya last September, killing 15 of 48 persons aboard.

BOAC said in London it was flying a team of medical men and investigators to Kano later Monday.

The Weather

NEBRASKA — Partly cloudy through Tuesday; scattered thunderstorms Monday; in east, south portions Monday night. High Monday near 90 northwest, to middle 90s southeast.

Today's Chuckle

A panhandler stepped up to the man and asked for 20 cents for a cup of coffee. "But coffee is only a dime," the man protested. "I know," replied the panhandler politely, "but won't you join me?"

HARRIMAN 'FISHING' AMONG GOVERNORS

ATLANTIC CITY (AP)—Gov. Averell Harriman of New York disclosed Sunday he is fishing openly among governors attending their annual conference for support for his own candidacy for the Democratic presidential nomination.

Harriman told a news conference he is setting up a cocktail party Tuesday afternoon. He conceded smilingly that politics will be discussed along with any other matters of mutual interest.

Politics is the big item of interest at this 48th annual session of the nation's governors, although it isn't on the official agenda

Associates of Adlai E. Stevenson also are busy on the conference scene keeping up the political contacts of the former Illinois chief executive.

Harriman and two other Democratic governors, Robert B. Meyner of New Jersey and G. Mennen Williams of Michigan, called today for the type of civil rights platform that could bring on a party-splitting scrap at the Democratic National Convention starting in Chicago Aug. 13.

Gov. George Bell Timmerman Jr. of South Carolina disclosed at a news conference that Southern State Democratic chairmen will meet in Atlanta within a few days to explore the possibility of holding a preconvention "unity" session of Dixie representatives.

Timmerman, who has proposed such a meeting, said he had favorable replies to his suggestion from five Southern governors. He declined to name them, however.

Timmerman made it clear that he, for one, isn't ready to accept a Democratic platform declaration that goes even as far as to uphold the Supreme Court's school intergration decision.

Labelling such a proposed plank as "malarkey," Timmerman said he doesn't think the South would go along with it.

Denying that he was backing any third party movement, Timmerman said his objective is to have the South present a "united front" at the convention.

All three urged that the civil rights plank specifically endorse the Supreme Court decision outlawing racial segregation in public schools. Harriman, however, wouldn't go so far as to say whether the words "Supreme Court" should be mentioned in the plank.

Dixie Touchy

But any strong language specifically upholding the decision and calling for strong enforcement measures assuredly would provoke the South. Some influential Southerners have hinted their adoption would result in a Dixie walkout.

Harriman recognized that there has been talk of "attempts by one or two people to develop a walkout." But he and Meyner and Williams, in separate news conferences, predicted a walkout could be avoided.

Asked how he appraised his chances for the Democratic presidential nomination at this point, Harriman replied:

Win In Ninth?

"All I can say is that an awful lot of ball games this year are being won in the ninth inning."

To a question whether he was trying to line up delegates during this conference of governors, Harriman answered that he'd be glad to talk to anyone but wasn't going to go around buttonholing.

Pressed as to whether he was planning "any little meetings," the New Yorker finally said that a few other governors were coming in Tuesday "to have a drink in the afternoon." He said Williams probably would be one but didn't mention anyone else.

Harriman's press officer, Charles Van Devander, told newsmen later that all Democratic governors, their wives and members of their staffs have been invited to Harriman's hotel suite before dinner Tuesday.

Nasser Gets Overwhelming Vote Margin

. . . As Egypt President

CAIRO, Egypt (AP) — Premier Gamal Abdel Nasser, Egypt's military dictator, Sunday became his country's civilian president. A new constitution also was ratified by an overwhelming margin.

Returns from the election, announced by the Interior Ministry, showed Nasser's vote far surpassed the 51 per cent majority he needed for election.

About 94 per cent of the 5,720,000 registered voters went to the polls in Egypt's first secret ballot election. With 114 of the 176 precincts reporting, Nasser had 3,800,242 votes as the counting continued.

Votes for the constitution reached 3,103,317.

Keep Home

The Middle East News Agency said Nasser would continue living in his modest home in an army compound in a Cairo suburb after becoming president. It had been assumed earlier that he would occupy the Orante Koubbeh Palace, where deposed King Farouk once lived.

The agency said the present Cabinet would resign as soon as the election results are announced officially.

The morning newspaper Al Ahram said Nasser would ask the present ministers to remain in office until the National Assembly is elected in October.

The Cabinet includes 10 civilians and nine officers from the Revolution Command Council, which masterminded the overthrow of King Farouk in 1952.

Corn Fertilizers Tested

Demonstrating to three of the large group of farmers attending *Crops and Soils Day* what fertilizer properly applied will do for corn is R. A. Olson, agronomist with the Agricultural Experiment Station, shown above third from the left. He is pointing to a plant which has been fertilized by both phosophate and nitrogen, applied at what tests show the proper time and place. Studying the procedure are left to right Maurice Moderow, Oakland; Ivan Benson, Jackson; Olson, and Glen H. Anderson, Craig. (Star Staff Photo.)

Granular DDT Sprayed On Corn

Lloyd Anderson, entomologist with the Agricultural Extension Service, is shown demonstrating a new implement for the spreading of insecticides through a corn field. As the machine moves through the field, driven in this case by Joe Gregory of the University's agronomy department, granular forms of chemicals, such as DDT here being illustrated for corn borer control, are sprayed. The DDT falls directly on the corn, filtering into the plant and covering the leaves. When water contacts the DDT, it turns sticky, thus adhering to the plant. (Star Staff Photo.)

BOAT MISHAP INJURES THREE, ONE SERIOUSLY

OMAHA (AP)—Injured late Sunday afternoon when their motorboat exploded and burned at Carter Lake were Penny Nelson, 17, and Mr. and Mrs. John Quinn, all of Omaha.

All were hospitalized. Miss Nelson, who suffered first, second and third degree burns about the body and face, was reported in serious condition.

Quinn was burned on one leg and his wife suffered burns about the legs and body.

John Grimes, operator of a boat dock where the accident occurred, said the Quinns and Miss Nelson filled the tank of their 17-foot inboat motorboat.

Quinn turned on the ignition.

"I heard an explosion and looked out to see the boat covered with smoke and flame," Grimes said.

Grimes and George Toozer, 15, rushed out on the dock and pulled Mrs. Quinn and Miss Nelson from the water. Quinn managed to swin ashore.

Grimes said gasoline fumes in the boat probably were set off by a spark from the engine's ignition.

Jewish War Vets Ask For U.S. Aid To Egypt, Israel

OMAHA (AP)—The Nebraska-Iowa Department of Jewish War Veterans Sunday called for immediate American economic assistance to Egypt and for shipment of arms to Israel.

The resolution, adopted at the annual conference here, said Egypt's economic situation needs bolstering and Israel needs arms to maintain adequate strength on behalf of the Western democracies' defense requirements in the Middle East.

The resolution will be sent to Nebraska and Iowa Congressmen and to Secretary of State John Foster Dulles.

It asked that United States aid be given for the Aswan Dam in Egypt and that mutual assistance pacts be formed between the United States and Israel and the United States and Egypt.

Abe Miller of Omaha was elected commander of the department. Other officers are Sid Levine, Des Moines, senior vice commander; Ben Shapiro, Sioux City, Iowa, junior vice commander; Nate Marcus, Omaha, quartermaster; Mel Teppner, Omaha, adjutant; Gerry Grossman, Omaha, judge advocate, and Aaron Shapiro, Omaha, sergeant-at-arms.

Little Loot From 3 Church Break-Ins

Three church break-ins over the weekend netted burglars only $4 in change. The Rev. James Mullins, pastor of the Sheridan Blvd. Baptist Church told police his church was entered and his office was ransacked. The money was taken from a coin bank and a coin receptacle on a religious literature rack.

The Seventh Day Adventist Church at 49th and Prescott was entered by forcing a window but church officials reported to police that nothing was missing.

Entry to the First Church of the Brethren between Normal and Sumner was attempted by taking the door handle plate off the front door. After an unsuccessful attempt to open the front door, a window screen was removed and entry was made through the basement. Police said nothing was reported missing.

Estes Hopes For Support From Indiana

INDIANAPOLIS (AP)—Sen. Estes Kefauver said Sunday he believes "a large number" of the 26-vote Indiana delegation to the National Democratic Convention will support him for president after the first ballot.

The Tennesseean was here in an attempt to bolster his strength before the State Democratic Convention which will name delegates to the national gathering in Chicago.

Kefauver's unopposed victory in the state's primary May 8 won him the delegation for the first ballot, but delegates will be free under law to go their own way after that.

Keeps 'Hands Off'

Although Kefauver conferred with state party leaders and state convention delegates, he did not enter into an intraparty struggle between National Chairman Paul Butler and Frank E. McKinney of Indianapolis, former national chairman.

"I'm not getting involved in the internal politics of Indiana," he told a news conference at his headquarters.

Butler is backing S. Hugh Dillin, a Petersburg lawyer, for the gubernatorial nomination to be made at the state convention Tuesday, and McKinney supports State Sen. Matthew Welsh of Vincennes.

Okie Named Top Rodeo Cowboy

NORTH PLATTE, Neb. (AP)—Eddie Quaid of Oklahoma City took top prize money and was named All-Around Cowboy at the annual Buffalo Bill Rodeo wound up Sunday.

Quaid won two grand championships, in bareback riding and bull riding, and won $554.96 in prize money.

Whiz Whizenhunt of Valentine, Neb., who won $377.76, was runnerup in the all-around cowboy competition.

Whizenhunt was the champion calf roper, downing two animals in a total of 29.4 seconds.

Other grand championships were won by Don Wilson of Buffalo, Wyo., in the saddle bronc event, and Wilber Plaugher of Prather, Calif., in steer wrestling with 17 seconds used to down two steers.

The chuck wagon race was won by Bush Lockhart of Manderson, S.D.

In the first heat of the chuck wagon race, two four-horse teams tangled and a pileup resulted. Two injured horses had to be shot.

About 4,000 attended the rodeo performance.

LAUSCHE HINTS HE'D VOTE WITH GOP IN SENATE

ATLANTIC CITY, N. J. (AP)—Gov. Frank J. Lausche of Ohio left open Sunday night a possibility he might vote with the Republicans rather than the Democrats to organize the U. S. Senate if he is elected to the Senate next November.

The Democratic governor said that if elected his decision would depend "on the balance of strength in the Senate," and the identity of the President.

By raising the possibility that he might help the GOP organize the Senate, Lausche was striking at one of the main campaign arguments of his Republican opponent, Sen. George H. Bender. Bender contends he is needed in the Senate to help give President Eisenhower Republican control there.

First word of Lausche's views came in Atlantic City dispatches to the Cleveland Plain Dealer and the Cincinnati Enquirer

Secret Notes Given Author —McClellan

WASHINGTON (AP)—Sen. McClellan (D-Ark) accused the Eisenhower administration Sunday of giving "secret documents and material" to an author while denying similar information to Congress.

McClellan, chairman of the Senate Investigations subcommittee, invited Maxwell Rabb, an aide to President Eisenhower, to testify before the group Tuesday on information used by Robert J. Donovan in a forthcoming book on the Eisenhower administration.

In a telegram to Rabb, McClellan said the book, "The Inside Story," appeared to contain much information "based upon confidential minutes of Cabinet meetings, interoffice memoranda, advisory opinion and other secret data . . ."

Withheld?

McClellan said the material he cited was "similar in character and nature to that which the executive branch of the government has withheld from and refused to make available to" his subcommittee.

Rabb, an assistant to Eisenhower, serves as secretary to the Cabinet.

James C. Hagerty, White House press secretary, was questioned Friday about the New Yorker article. Hagerty said, in response to a question, that he knew who in the administration made the decision to make such papers available. But he declined to name the individual.

Toying With Matches Starts House Blaze

Fire broke out in the basement of the McKinley Tarpley home at 1944 U at 2:45 p.m. Sunday when several small children playing with matches set fire to some clothes.

Firemen dousd the fire. There was small damage to the clothes.

Attorney Urges Voters Okay Little-Mentioned Proposition

. . . On Publishing Rates, Methods

Voters have been urged by City Attorney Jack Pace not to overlook or be confused by the little-mentioned but important proposition to be found on the June 26 ballot in regards to methods and rates of publishing city legal notices and ordinances.

The proposition is the longest of the three on the city ballot.

The amendment to the charter will *not* only clear up an unsatisfactory condition, Pace said, but will save the taxpayers money.

The most important part of the proposition, he explained, is that section which changes from 25 to 75 cents the rate on a 10-line legal notice. The second insertion of such a notice would be at the rate of 50 cents per 10-line square.

"Essential"

This change is essential, he said, if publishers are to continue taking city legals. The current rate, he said, does not even cover the cost of the paper on which the legals are printed.

If the rate change failed to carry, he said, and city advertising were refused by the publisher, it would seriously effect the affairs of the city. The charter, he said, requires that all bond sales, ordinances and purchases be advertised.

Other sections of the proposition leave the charter exactly as it now is except for cutting down the required times of advertising certain items.

For instance, the city now has authority to issue refunding bonds at any time without a vote of the people. A refunding is nothing more than a re-financinng of an existing bond debt.

Cut From 30

This section, however, will be changed so the city will need to advertise only once for such a refunding bond sale. The requirement now is for 30 days of such advertising.

The same conditions are true on advertising for bids for city purchases. If the proposed charter amendment is approved, bids will still have to be received on all purchases in excess of $1,500 but advertising for such bids will be done only once rather than 10 times as now required.

Likewise, the June 26 proposition will leave the regulations on ordinances exactly as they are with the exception of changing the advertising of such ordinances. The proposed change would permit advertising by posting on a bulletin board in the City Hall or by newspaper.

The proposition would leave the special assessment system as is, also, except for providing for only one notice of assessment rather than 10 as now required.

If approved, the proposition would also change from seven to one the number of times the city's annual budget must be advertised.

Bulletin Board

The general provisions governing advertising would also include authority for the city to post any ordinances or legal notices on a bulletin board in the City Hall if space for such advertising is impossible to obtain in a newspaper.

There is nothing whatsoever of a controversial nature to the proposition, Pace said. If it is understood by the voters it cannot help but receive overwhelming support, he said.

Include the Newspaper in vacation plans. Your Paper by mail will keep you informed while away. Your carrier collects regular home delivery rate on your return.

POLISH-WAX YOUR CAR

The sun, dirt and grit of the past weeks have dulled the finish of your car. For your own driving pleasure and the protection of the finish on your car, NOW is the time for a wash, polish and wax job.

Our thorough washing process removes all dirt and grit. Our polishing takes off 'traffic scum" and grease, restoring original finish. Wax then applied serves as a protecting cover to the renewed finish for many months to come. Drive in or call for an appointment today.

Dr. William Neill Jr. Dies In Baltimore

BALTIMORE (AP) —Dr. William Neill Jr., 68, prominent Baltimore surgeon and former partner in the Kelly Clinic here, died at Johns Hopkins Hospital Sunday of a heart ailment.

He was a brother of Mrs. Keith Neville of North Platte, who is the wife of a former governor of Nebraska.

Dr. Neill had been on the staff of the Howard A. Kelly Hospital, which became widely known for its experiments with radium and X-ray in treatment of disease.

Surviving are his wife, Mrs. Alice Buckler Neill: a son, William Neill III of Ruxton, Md., and a granddaughter.

610 Sharp Building
Lincoln, Nebraska

Dear Mr. Kimball:

You have requested an opinion on whether revenue bonds to be issued by the City-County Building Authority would be a first mortgage upon homes and other property.

The City-County Building revenue bonds, under no circumstances, will create a tax lien against homes, business property, or farms in Lincoln and Lancaster County. Statements that reflect another opinion are incorrect, erroneous and grossly misrepresent the true facts.

Naturally, there could be no tax foreclosure against any property in Lincoln and Lancaster County for the purpose of collecting these bonds, or interest thereon. Statements to the contrary appear to be deliberately made by the opposition to create confusion and misunderstanding.

Yours respectfully,

Max Kier

Attorney for Lincoln-Lancaster County, Nebraska, Building Authority, Inc.

Report To U.N.: 'World's Farmers Getting Paid Less'

ROME, Italy (AP)—The world's farmers are getting less money for their crops, but the hungry still have to pay more for food than they can afford.

That was the hard outlook in the 1956 report of the Food and Agriculture Organization to the United Nations Economic and Social Council.

The summary, released Sunday, said:

1. "Although world production has kept pace with world population increases, the increases—in food production—have been uneven. Per capita production in many of the less-developed countries remains appreciably less than before the second world war.

Many Underfed

2 "Over large areas of the world the bulk of the population remains underfed and inadequately clothed and housed.

3 "At the same time, large surpluses of some agricultural products have accumulated, primarily in the dollar area, and there has been a marked fall of farm prices in many countries.

4. "Marketing and distributing costs remain constant, or even increased in some countries, so that the lower prices were not passed on proportionately to the consumer."

Stability Threat

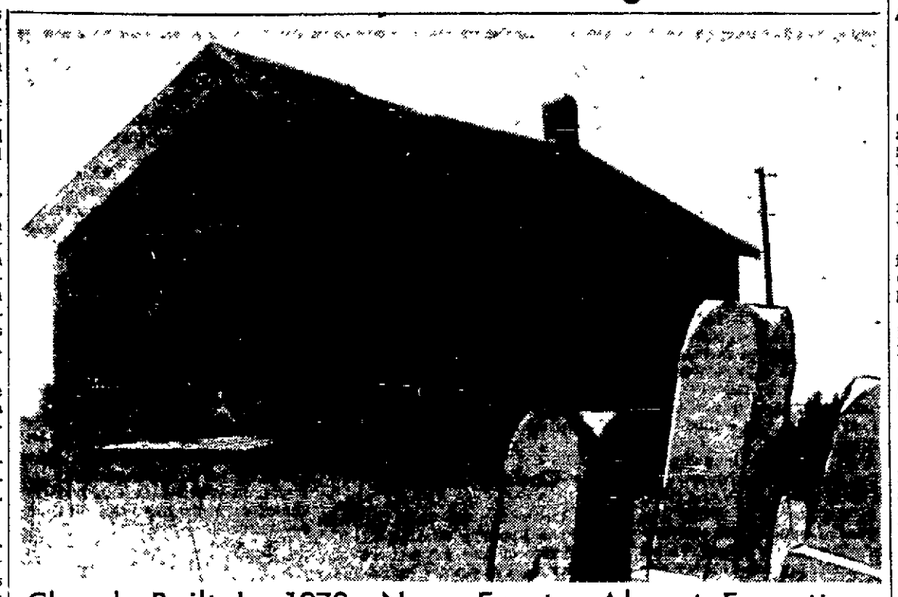

The report said the decline in the farmers' purchasing power poses "a threat to general economic stability."

FAO said the problem still is:

1. To raise the levels of consumption "by bringing agricultural produce within reach of low-income consumers through economic and technical measures," and

2. "Teaching processing and other methods that will increase the nutritive value of the diet . . ."

Church Built In 1870s Now Empty, Almost Forgotten

The unused Palo Church northeast of Waco, a York County landmark which dates back to the 1870s, is all but forgotten except by a handful of descendants of the pioneers and Civil War veterans whose last resting place is in the churchyard. Windows have been broken and strips of siding torn from the frame of the church building. The monuments in the burial ground have shifted and some of them are all but obscured by the growth of weeds and grass. The epitaphs on the old monuments are by now barely legible. Pews, hand-hewn by charter members, stand unoccupied in the edifice which was the second United Brethren Church built in Nebraska. Since the death of the Rev. A. P. Vannice, a former Nebraska Conference superintendent who was vitally interested in preserving the historic landmark, little interest has been shown in the church. (Photo Special to The Star.)

—Wheat Marketing—
Sen. Humphrey Asks Approval Of '57 Quotas

WASHINGTON (AP)—Sen. Humphrey (D-Minn) said Sunday that spring wheat growers would reap at least a $10 an acre benefit from marketing quotas on their 1957 crop.

Urging growers to approve quotas in the July 20 referendum, Humphrey said:

"By voting 'yes' farmers would at least gain breathing time in which to work for a better wheat program. By voting 'no' farmers would be setting the stage for wrecking the program entirely."

"If quotas are defeated," he added, "there is no reason to believe that the market price of wheat will be above $1.05 a bushel in 1957."

Jaycee Membership Increase Reported

KANSAS CITY (AP)—Hugh McKenna of Omaha, national president of the Junior Chamber of Commerce, reported to the national executive committee at a meeting here that the organization has increased its membership to 172,294.

New Protestant Church Reaches Final Stages Of Its Formation

. . . At Congregational Christian Meeting In Omaha

By GEORGE W. CORNELL

OMAHA, Neb. (AP)—A brand new Protestant church, with a sweep that hasn't been attempted before, Sunday was in the final stages of formation in the United States.

"It is a most important and most unusual development in the history of American Christianity," said Dr. Frederick W. Whittaker, professor of church history at Bangor, Me., theological seminary.

Name of the new denomination-to-be: "The United Church of Christ."

Its foundations were laid, after 14 years of trial and effort, by the General Council of the Congregational Christian Churches.

High Hopes

On a wave of high hopes, but mingled with trepidations, the denomination set forth on a merger with the Evangelical and Reformed Church on a basis—and scope—heretofore untried in Protestantism.

"It is a demonstration of a new dimension of church unity," said Dr. Fred Hoskins of Oak Park, Ill., newly-elected "minister" of Congregational Christians — their top administrative officer.

In this country, the union is the first cuting across the usual national and traditional lines that make up the various families of Protestantism.

It seeks to give leeway to varying operational customs—the vaunted local "autonomy" of Congregationalism and more cohesive-type E. and R. church structure.

For years, the go-ahead for the merger has been held up among Congregational Christians by apprehensions among some they might lose their traditional church freedoms, and these fears lingered.

They were strong manifested in speeches as the General Council moved toward its decisive vote on the matter, carried by a swamping 1,310 to 179, but to the accompaniment of threatened splits in the church.

Some "Aloof"

Dr. Alfred Grant Walton of Brooklyn, who sought in vain to get the action delayed until a constitution was written for the new church, said "some churches" are determined to keep aloof from it.

"Others will wait and see," he said. "There's a feeling that there's a tendency toward bureaucracy."

He added there is "a distinct possibility" of further litigation to block the merger, though he said he himself hoped this resumption of court conflict wasn't resumed.

A previous lawsuit stymied the merger for four years.

Joseph D. Fackenthal, a New York attorney who took part in the suit, said there is a definite possibility of further legal action.

A first national conclave of the new church was set for June, 1957, in Cleveland, with the two joining bodies each sending 357 delegates.

Dr. Whitakker, who joined a so-called "middle ground" group in seeking unsuccessfully to set down conditions limiting the new government only to the "national bodies," said success of the new church still is in the balance.

"New Experiment"

"The next four to six years will tell," he said. "It's a new experiment in Protestant unity."

He predicted it will succeed if at least 80 per cent of the individual Congregational Christian churches co-operate with it, but if they don't, it could "set the whole unity movement back."

Opponents, led by the Rev. Malcolm K. Burton of Pontiac, Mich., already have set up a special "National Association of Congregational Christian Churches," with a moderator and resemblances to a nucleus of a separate church.

Ninety-eight churches, including some of the larger ones, took part in this move.

Meanwhile Congregational Christians Sunday worshiped and rested from a tense four days of sessions, including a marathon, almost nonstop 31 hours and an all-night meeting just before the merger passed.

Man Kills Self At Gravel Pit

. . . Near Wahoo

Lincoln Star Special

WAHOO, Neb.—Frank J. Kratochvil, 52, of Morse Bluff, died of a self-inflicted gunshot wound, Saunders County Attorney George W. Haessler said.

He was found dead Sunday morning at the Wolff gravel pit where he was employed.

Kratochvil, who was unmarried, is survived by two sisters in Omaha, Deputy Sheriff Orval Robbins said.

He had complained of not feeling well the past several days, Robbins said.

Dr. Henske, Omaha Pediatrician, Dies

OMAHA (AP) — Dr. Joseph Henske, 70, a pediatrician here since 1919 and first staff president of Omaha Children's Memorial Hospital, died of a heart ailment.

A native of St. Louis, he came to Omaha in 1912. He played a leading role in the building of Children's Memorial Hospital.

Dr. Henske, who retired in 1954, was division surgeon for the Missouri Pacific Railroad when he moved to Omaha.

After serving in the Medical Corps in France during World War I, he took graduate work in pediatrics and for years headed the department of pediatrics at the University of Nebraska College of Medicine.

Utica Legionnaires Elect Gene Luth Commander

UTICA, Neb. — Members of American Legion Post 49 here elected Gene Luth commander and Lawrence Geiger, vice commander.

M. O. Daehling is adjutant; Harray Saltow, service officer, and Loren L. McNeil, chaplain.

Vivian Rieger is new president of the Auxiliary and Jean Simonsen is vice president.

Other officers are Louise Stallings, treasurer; Wilma Luth, secretary, and Amy Brown, chaplain.

TWO NEBRASKA 4-H MEMBERS WILL ATTEND TRAINING CAMP

Two Nebraska 4-H Club members have been selected to attend the American Youth Foundation leadership training camp, Miniwanca on Lake Michigan this summer.

They are Beverly Ann Shepardson, Ansley, who will attend the camp for girls July 30 to Aug. 12, and Douglas Watkins, Venango, who will attend the boys' session Aug. 13 to 26.

The Danforth Foundation and Ralston Purina Company provide the scholarships annually.

Miss Shepardson, a freshman at the University of Nebraska the past year, has been an active 4-H Club member of nine years.

Watkins, who was graduated from high school this year, has been in 4-H Club work for seven years.

Both attended the National 4-H Club Congress in Chicago two years ago.

Rites To Be Thursday For John L. Humlicek, 66, Farmer Near Colon

Lincoln Star Special

COLON, Neb. — Services for John L. Humlicek, 66, a farmer near here, will be at 9 a.m. Thursday at St. Joseph's Catholic Church here. Burial will be in Cedar Hills Cemetery northwest of Colon.

Surviving are his wife, Mary; daughter, Mrs Blanche Nesladek of Morse Bluffs, sons, Ernest of Omaha and Victor of Hartford, Conn., and six brothers.

Broken Axle Derails 10 Cars Of Freight

BROKEN BOW, Neb. (AP)—A broken axle derailed 10 cars of a Chicago, Burlington, and Quincy railroad freight train here Sunday afternoon.

No one was hurt.

Service on the line was tied up through the afternoon and evening. A train crew and derrick was dispatched from Alliance to clear the tracks.

The chief dispatcher of the road at Lincoln estimated a five or six-hour delay in service.

The broken axle on one of the cars of westbound freight No. 75 caused the pileup which badly mangled three cars and derailed the others at 12.05 P.M.

CITIZENS, RENTERS, TAXPAYERS . . .

The City Hall Will Not Fall In!

The County Courthouse Will Not Cave In!

BUT, if the bond issue carries, the taxpayers pocketbooks may collapse!

Go To The Polls And VOTE . . . . NO!

SAVE YOUR POCKETBOOK!

Note these questions and answers, if the City-County Building Authority proposition is approved

Q. Who gets the valuable Court House square?

A. As yet undetermined.

Q. Will you have a voice in selecting a site for the proposed city-county building?

A. No—the Authority a non-elected board, has already picked the 15th St., location, highest priced real estate in Lincoln.

Q. Where will a new County Jail be built?

A. As yet undetermined.

Q. How long will the Lincoln-Lancaster County, Building Authority be in the business of owning public buildings?

A. According to its articles of incorporation, perpetually or forever with unlimited powers.

Q. How much rent will you pay for the use of the proposed building?

A. Unknown and uncertain, as the Authority will in its absolute discretion, fix the amounts of rent to be paid by the city and the county.

Q. How much will your taxes be increased by the City-County proposition?

A. They can be increased to any amount, as the Authority will have the absolute power to fix the rents, and raise the rents for city and county occupancy.

Go To The Polls And VOTE . . . . NO!

Made from the laboratories of JOHNSON'S WAX

We are planning ahead to a **new era** of electrical living!

Electricity does more—costs less!

LIVE BETTER ELECTRICALLY

Who knows what your future electric power requirements will be? Who knows what new developments, now in the planning and research stage, will result in practical appliances and devices that you will want to own and that will add to your electric power requirements for the future?

Since the beginning of operations by CONSUMERS PUBLIC POWER DISTRICT, our skilled engineers and operating personnel have made it their business to estimate your future electrical needs and, through a long range program of planning and construction, provide the essential substations, transmission lines, transformers, power supply, and other vital facilities needed to bring you ample power for better living—*at the lowest reasonable cost*—well in advance of your actual need.

It is this constant program of successful planning for the future that has enabled your experienced CONSUMERS personnel to bring you the benefits of truly low-cost, progressive electric service for over 16 years! This far-sighted planning has been a major factor in offsetting increased costs of labor, power supply, material, and other essential equipment and services, and has resulted in helping to make electricity today's biggest bargain in better living for our more than 116,000 customers throughout Nebraska.

Since 1939—
Nebraska's Low-Cost, Progressive Electric Service

CONSUMERS PUBLIC POWER DISTRICT

CONSUMERS PUBLIC POWER DISTRICT

Full Consolidation

From a front office point of view many advantages can be cited for a full consolidation of two of Nebraska's three major public power and irrigation agencies — the Loup and the Platte Valley. They have a natural affinity, many problems in common and a book of experience that speaks well for past cooperation.

For a number of years they have been joined by contractual relations as the Nebraska Public Power Service. Their respective managements have for more than a year discussed reorganization and consolidation with lawmakers, major electric power customers and others, including the REA's, whose continued support and good will is essential.

Certainly the state would not consider such a merger as a move toward a Nebraska power monopoly. Under an interpretation of the state supreme court recently firmed up, the right to generate power is reserved to every public power agency granted such a privilege by the general public power statutes. Those agencies are numerous. Also existing as a power producer is the Central Nebraska Public Power and Irrigation district, a major factor in the state power producing picture which is not involved in consolidation planning.

Subject to more study, however, is the long range effect of a consolidation of management of two major power and irrigation districts from the point of view of irrigation. In all of this concern about electric power Nebraskans are inclined to overlook the great considerations of the irrigation program which has done so much to develop Nebraska resources, but which can not be taken for granted just because they have been built. Maneuvers in the closely related electric power field must never weaken nor cloud the future of this important activity.

For Improved Hunting

Nebraska's ever-present, evergrowing, never satiated appetite for hunting and fishing received a thought-provoking nudge at week-end.

State senators, members of the Nebraska legislative council, turned from their study of game and fish problems to tell the state game commission that good pheasant hunting in Nebraska cannot be procured alone by re-stocking birds annually.

Spokesman Sen. George Syas, explained that purchase of young birds from out of the state for transplanting does not assure sufficient adult targets the following fall. The change of environment, he explained, brings in the factor of low survival.

When a state's hunting prospects are faced with natural pheasant production insufficient to meet the demand, and where re-stocking is fraught with heavy loss the problem calls for constructive thinking in new fields.

It is conceivably a measurable boon to Nebraska that Congress moved this year in the direction of a soil bank program. While its most interesting activity agriculturally this year is in that portion in which crop producing soil can be set aside on an annual basis, it has a long range program in which land is to be taken out of production for conservation purposes over a considerable period of years. It also anticipates re-forestation and recreation.

One is attracted by the possibilities of natural cover and favorable environment for native pheasant production in an increasing number of acres going into long range conservation treatment.

It is timely to suggest not only to Nebraska sportsmen but to the game commission as well that every detail of the soil bank program be examined for a possible improvement in Nebraska hunting. Such opportunities as the program may offer should be emphasized.

For Proposition No. 3

The voter Tuesday may have his reservations when it comes to approving bond issues for a community hospital, a new library, or a city-county building.

Not so in the case of Proposition No. 3 which appears on the ballot for Lincoln voters.

Approval of that amendment actually will save both money and endless headaches. As Mayor Jeary and Director of Finance Theo H. Berg so well said in a joint statement:

"Whether you are for or against any of the bond issues there is one charter amendment that is non-controversial and we do not hesitate to ask you to vote for it."

In the original charter the rate fixed for publication of legal notices was 25 cents per square, less than the present cost of publication. In fact, the maximum rate set in the original charter on trade is inadequate at this time to cover composition and white paper costs. Lincoln is in the unique position of expecting its legal notices to be handled at a considerable loss.

So Mayor Jeary and Director Berg, the latter long associated with Lincoln city government, have this to say about the revised proposed amendment by way of possible offsetting economies:

"The way the proposal is drawn we believe that we can substitute the posting of some notices for publication, reduce the number of publications required on some matters, and by this method keep our total costs within our present expenditures. We do not hesitate to ask you to vote for this amendment (No. 3 on your city ballot)."

This newspaper does not hesitate to ask the voters at next Tuesday's election to support the proposed amendment. It is not a matter of fattening the pocketbook for the newspapers. By reducing publication requirements total costs can be kept within present expenditures. This is not a money-gouging amendment. It does not involve any hike in the tax rate. In actual practice it may bring about economy in publication costs. We join Mr. Jeary and Mr. Berg in urging support for Amendment No. 3 correcting a long standing inequity.

Of Men And Things

By J. E. LAWRENCE

"A stitch in time saves nine," so the old saw goes. One of the most impressive reflections provided by the news recently is the surprising number of American cities, both large and small, which have been having their troubles lately due to inadequate water supply. A few days ago it was metropolitan Milwaukee on the shores of Lake Michigan which had to go to rationing in some of its suburban areas. Then late last week Minneapolis, with lakes on its outskirts, struggling with a headache, water reduced to a trickle through the taps in suburban homes because of falling pressure. Water has become worth its weight in gold in the life of scores of American communities.

★

Mayor Clark Jeary of Lincoln and his council associates had before them a recommendation by the City's Water Advisory board that the community spend an additional $2,932,547 to expand its water supply. That's a lot of money, particularly when it is recalled that only a short time ago Lincoln reached deep into its pocket for more wells and for a second pipeline leading from the Platte River sands to this community. But it is also farsighted and sound in every sense to be looking well ahead to the growing needs for a larger water supply. The proposal contemplates an average daily consumption possibly of 60,000,000 gallons of water or more, in the latter case on those occasions when it becomes necessary to draw upon reservoirs in those brief times of dire extreme need. No investment we make as a community is more important than the money spent for an adequate water supply for Lincoln. First consideration of course is protection against the ever constant threat of fire loss. But beyond that we have spent vast sums in the residential districts to create the most attractive, beautiful surroundings for the homes of this community. The only complaint reaching the ears of the editor in connection with an expanded water supply grew out of the fact that the full increase in water rates was greater than had been anticipated. Water patrons, however, invariably brush that aside, recognizing that adequate water was vital to Lincoln's growth.

Looking Ahead In Lincoln

★

This latest recommendation by the Advisory Water Board provides food for thought. Not too many months ago, actually in October of 1955, the program would have called for an outlay $351,965 less than present estimates. In a matter of eight months then there has been an increase in both labor and material costs. That is not the whole story however. Some changes now deemed advisable were not embraced in the program last October.

★

There is no way of determining whether the future means higher prices for both materials and labor. That is one of the gambles a community takes when it embarks upon a development program. There are certain essential services which every up and coming community must provide if it expects to retain its place in the sun. Among them are more adequate policing and fire protection. Then the protection of health rests upon the shoulders of every well-governed city. But today if there is one service which cannot be ducked or dodged it is a sufficient supply of water to meet ever expanding modern needs. We are fortunate in Lincoln that we have such a simple solution in meeting our water requirements. Many other cities face a much more costly program in making sure that business and residential needs can be met fully in every sense.

Rising Costs To Continue

★

Generally a slackening in building activity is the forerunner of an opportunity to achieve substantial economies. There is no time to waste . . . to mark time. The quicker, however, we expand Lincoln's water supply the better we will be.

No. 1 Salesman

The state of Minnesota is finding a new and rewarding use for its governor, Orville Freeman. In addition to his duties as executive officer for the state and his role of political symbol he is now a business getter, the state's No. 1 salesman.

Recently Gov. Freeman headed a delegation of Minnesota businessmen who went to Chicago and staged an impressive party for tycoons there. Back of it was an intention to promote Minnesota's growth industrially.

Some objected to the governor hippodroming around the country on public funds but on a closer look it added up. It was found that it cost a great deal more to advertise the state by other methods and that direct personal selling is more effective especially when a state's governor is present.

We presume the day will come when governors may rise and fall not on their political deeds but on the basis of their effectiveness as super salesmen. But nothing is too unusual or incredible in this fast moving, incredible age.

Minnesota's emphasis on not sending a boy out to do a man's job is well worth watching, and if it works well, it will be something to match.

Public Speculates On Ike's Health

WASHINGTON — The most important question, next to the status of Eisenhower's health, is whether the American people are getting the true facts about his health.

There have been so many conflicting statements by distinguished doctors, some of them at the top of their profession, regarding ileitis that the public is confused. It's quite possible also that the President himself may be confused.

To ascertain whether the public has been getting the whole truth, here is a review of the various health incidents in the President's life and the public statements made about them by his personal doctor, Maj. Gen. Howard Snyder and his press relations expert, Jim Hagerty.

On Aug. 4, 1953 a statement that Eisenhower had high blood pressure was flatly denied by Hagerty. Yet in 1940, Kay Summersby, the British WAC who was Eisenhower's secretary during the war, wrote in her book "Eisenhower Was My Boss" on pages 30 and 167: "He was inclined to suffer from high blood pressure and neuritis was likely to visit his shoulder." .... "The general suffered bad headaches and complained about his blood pressure."

The neuritis, now diagnosed as bursitis, is still with the President, while high blood pressure is contributory to a heart condition.

☆ ☆ ☆

In May, 1952, just before Eisenhower was to leave Paris, he suffered a ten-day siege of what was probably ileitis. Several high Republicans were in Paris to see him to prepare for the GOP convention, but were told Ike was busy with final plans concerning the defense of Europe, could see no one. Meanwhile he was running such a high fever that he was delirious and talked of moving troops and calling general staff meetings.

☆ ☆ ☆

"DIGESTION IN DENVER"

On Sept. 24, when Ike was first stricken in Denver, Dr. Snyder first announced at 8 a.m. that the President had suffered a "digestive upset." At noon the summer White House announced the President was suffering from "indigestion."

It was natural for Dr. Snyder to suspect indigestion, because Ike had a long history of what is now publicly called ileitis. Not only did it occur in Paris but in Key West, and several times in Washington. Later, it was admitted at the summer White House that Snyder had noted the "first symptom" of a heart attack as early as 2:45 a.m., though at 8 a.m. he called it a "digestive upset."

On Feb. 15, 1956, immediately after Dr. Paul Dudley White's prediction that Ike could carry on "five to ten years" of active life, Dr. Samuel Levine of the Harvard Medical School challenged that anyone could predict a heart patient's life. Whereupon White agreed with Dr. Levine and pointed out that he had hedged his own prediction with such qualifying phrases as "uncertainties of the future," "chances," and "should." The public, however, didn't get Dr. White's fine print.

On May 12 when Eisenhower was given his "head-to-toe" physical examination, he was pronounced in splendid condition. Not a word was said about his long history of stomach upsets, now called ileitis.

On June 10, Dr. Snyder blandly told newsmen that Ike had had ileitis before. When newsmen inquired how the doctors could make an accurate diagnosis so rapidly, it was explained that they were familiar with his previous trouble.

On June 14 when newsmen asked Hagerty why the ileitis condition hadn't been given to the public after the "head-to-toe examination" he replied: "It didn't show up," and he referred newsmen to a previous statement by Snyder.

"In the head-to-toe examination," Snyder had previously explained, "there was no inflammation of the ileum."

MARQUIS CHILDS

'Do It Yourself' May Be '56 Theme

WASHINGTON — For 435 members of the House and 35 members of the Senate, the time is fast approaching when they must go out and ask for a new lease on the job.

This makes for an uneasy restiveness in the last days of the Congress as representatives and senators try to keep one eye on the calendar and the other cocked in the direction of the hustings, where they must soon proclaim their sterling qualities.

Although this time is scarcely more than three months away, the doubts that overshadow this congressional campaign are darker than at any time in recent history. They are doubts, both political and medical, that leave a great many congressmen in both parties with the sad conviction that the "do it yourself" movement is here to stay.

The Republican strategy had been based largely on the theme of "Give Ike a congress of his own party." In the vernacular, this is known as coattail riding and GOP congressmen were all prepared to get a firm grip on the long coattails of the most popular Republican since Theodore Roosevelt.

☆ ☆ ☆

Letters signed by the President warmly endorsing Representative Zilch and Senator Doakes had been prepared for use this fall. But the President's second serious illness in nine months has put those fine plans in jeopardy. The gloom is as thick as a London fog among those who had counted on an Eisenhower landslide to pull them through. They fear that the question of his fitness has dimmed his popularity as a candidate for a second term.

The Democrats are afflicted by a palsy of uncertainty that owes something to the earlier uproar over campaign contributions and the sources of such contributions.

The free spending by the natural gas lobby, with its political repercussions, has made Democrats leery of standing officially at the receiving end of the campaign pipeline.

☆ ☆ ☆

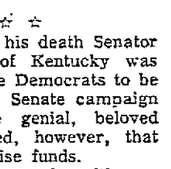

Shortly before his death Senator Alben Barkley of Kentucky was persuaded by the Democrats to be chairman of the Senate campaign committee. The genial, beloved Barkley specified, however, that he would not raise funds.

After a long search, with one candidate after another shying away, Senator George A. Smathers of Florida finally agreed to be chairman, with Senator Hubert H. Humphrey of Minnesota as vice chairman. Most of the hard work will be done by Leslie Biffle, for many years secretary-treasurer of the campaign committee and an institution in Washington nearly as familiar as the capitol dome.

But the Democrats have little money and their national organization rumbles with discontent over the tactics of Chairman Paul Butler. Personal feuding in critical states such as Kentucky, where two Senators are to be elected, raises a further doubt about November.

All this tends to confirm the "do it yourself" pattern of getting elected or reelected that has increasingly given the incumbent congressman a great advantage.

BOB CONSIDINE

Vespa Scooters Invade America

NEW YORK—People ... Places ... Things ...

Old Har' S. Truman came through his honorary degree ordeal at Oxford just fine and dandy. He had trouble with his cap and gown at a Princeton ceremony a few years ago. He stumbled in the course of the majestic procession, grinned and said, "Oops, tripped over my skirt."

☆ ☆ ☆

Tempus fugits note: ten years ago most of the countries in the United Nations withdrew diplomatic representation from Spain after hearing outrageous charges by Communist Poland that Franco was building A-bombs with the help of escaped German physicists.

Recently, in this comparatively saner time, we contributed $300,000 toward the cost of Spain's first atomic reactor, a 3,000 kilowatt pool type to be located in the Moncloa area of Madrid. Seems that the "secret installation" the Red Pole spoke about was the monastery, basilica and huge granite cross Spain is building to honor its war dead!

Every time I see one of those Vespa motor scooters zipping about (the epidemic has spread from Europe to the U.S.) it recalls the comeback of Enrico and Armando Piaggio. All that was left of their big plant, when the Allied Air Forces got through bombing it, was its reputation for having once built railway cars, trolley buses, planes and plane parts.

Some 12,000 hungry employes and their families looked to the Piaggios for help. Out of this crisis, and the need for cheap transportation over Italy's smashed roads and streets, came the Vespa, which means wasp. They built and sold 2,500 in 1946; now make 10,000 a month. Half of Europe seems to ride this way. The town of Pontedera has gained 24 American-style low-rent housing units, schools, kindergardens, hospitals, playgrounds. There are now 150,000 on the company payroll. The Piaggios found an answer to Communism in Italy by fashioning a handy 1-cylinder transportation tool that gets a hundred miles on a gallon.

THE PEOPLE SPEAK

Local Bond Issues In Spotlight

Increasing Taxes

Lincoln, Neb.

To the editor of The Lincoln Star: The year of 1932 our county tax on our house was $50. This year our 1955 county tax was $180. Can you tell us how much more our county and city taxes will be if all of the three bonds go through? Our house has had no improvements since 1932. We are retired on a small Social Security annuity. We expect we shall have to sell the place to pay the taxes if the bonds go through.

H. SAFFORD

Editor's note: The editor will not attempt to say what taxes of correspondent will be in event of passage of the bonds. School requirements and other levies contribute to uncertainties.

☆ ☆ ☆

City-County Building

Lincoln, Neb.

To the editor of The Lincoln Star: The Planning Commission in recognition of the great need of the City of Lincoln for additional community facilities unanimously adopted a motion that it enthusiastically endorses and promotes the bond issues for the city-county building, the library and the new hospital and medical center to be voted on by the people of Lincoln at the special election on June 26, 1956.

E. J. FAULKNER
Chairman, City Planning Commission

☆ ☆ ☆

Hospital Bonds

Lincoln, Neb.

To the editor of The Lincoln Star: Clark Gustin says more of us will vote to "fix up" than to "build" on borrowed money. The cost of "fixing-up" the hospitals adds up to the same amount it will cost to build the new hospital and rehabilitation center — so why put money into the old hospitals?

Emil Glaser is misinformed if he really thinks that the "condition of the hospitals' beds has been overlooked" until now. The hospitals have realized their deteriorating condition for a long time. Several years ago they asked a community study be made.

As a taxpayer, why do I scream every time some old community building needs replacing or additional sewers or water facilities or schools are needed? Why am I so indignant that I must help pay for these things? Are the things we buy on the monthly installment plan more essential to us than city services, which affect our health and welfare? Look at the security and the protection we are buying with our tax money! Fire, police, hospital, water, sewage, ad infinitum! We want these things. We need them. When you boil it all down we are paying a pretty small per cent of our income for all of this civic protection. One way or another we are going to have to pay for hospital protection too.

DOROTHY OGDEN

☆ ☆ ☆

No Slackers

Lincoln, Neb.

To the editor of The Lincoln Star: So we're greedy, huh? I think a majority of hard-working overtaxed Lincoln citizens will resent that cartoon in Friday's Star depicting them as a rapacious, greedy bunch of slackers because they oppose the extravagant, wasteful plans of a handful of promoters to do over the city of Lincoln. How about the big boys who expect to profit enormously by having this run through via the high-pressure method? The ones with big real estate holdings down around 15th Street which they expect to unload on the city, when Lincoln already has a city block it could use for a city-county building. They are the greedy ones.

DISGUSTED

☆ ☆ ☆

City-County Building

Lincoln, Neb.

To the editor of The Lincoln Star: No one likes the idea of increased taxes. But to hear some people talk, one would think that the taxes we are paying at the present time were adequate to keep Lincoln up-to-date and to meet all the needs of the area ... Lincoln and Lancaster County are growing. We cannot just sit back and smile at the prospect of growth without doing our share to keep the government of our area up to the same standards. Of course we need more room in our City Hall to run a city of 125,000 than we did to manage a city of 60,000 in the 1930's, or a town the size Lincoln was when the present City Hall was built 78 years ago in 1878 ...

The County Courthouse, while less obvious because of its out-of-the-way location, is also in poor shape ... It just isn't efficient to use funds amounting to more than $125,000 a year to keep up these two buildings which can never again be adequate for the purposes of housing our city and county governments.

As a taxpayer I feel it is just as important, if not more so, to have an efficient local government housed in one building and without duplication of facilities and the inconvenience of separate location as it is to have an adequate school system or a city auditorium ...

F. WENDELL GROTH

Lincoln, Neb.

To the editor of The Lincoln Star: Most women are thrifty shoppers who appreciate opportunities to save money. Next Tuesday we are offered the opportunity to vote to build one large economy-size county-city building to replace two worn-out inadequate structures that cannot be remodeled or stretched to care for the business of the county and city ...

If the present courthouse should burn, all our records would be lost, requiring costly litigation. Some businessmen now have all their legal records photostated to protect themselves against this hazard.

For this protection, the cost would be less than a month's supply of cigarettes, half the cost of a permanent wave. If one's home is assessed at $4,500, the cost of providing the county and city with a modern office building would be $5.85 a year.

HELEN FLEMING

Lincoln, Neb.

To the editor of The Lincoln Star: In a very short time we'll know whether the people of Lincoln voted for or against the hospital, city-county building and library bond issues. We'll know whether they voted for the broad community interest, in which each can hope to share; or on the basis of individual self-interest.

But, regardless of the result, there will remain evidence that once again, on a community issue of paramount interest, most of the organized labor and business groups squared off together in the common cause.

Both organized labor and business think in terms of more and better jobs for more people. Thus, it was quite natural to read these two quotes from news releases endorsing "all three":

Lincoln Committee on Political Action, AFL-CIO: "The status of civic improvements are recognized factors in encouraging industrial development in our city ... we are now faced with the need for many things at once .... we urge that all members of organized labor support these issues at the polls on June 26 as an investment in the future of their city and, in turn, as an investment in their own and their families' homes."

Lincoln Chamber of Commerce: "There was no dissenting voice in presentation of the motion for endorsement of these three measures (by study committees to the Board of Directors), which are generally felt to be essential to the continued progress and development of this fine community of ours. In commending these issues, the Chamber is complying with that portion of its purpose which pledges it to promote the welfare of all Lincoln citizens, following always those policies intended to accomplish the greatest good for the greatest number."

There cannot be too much wrong in a community where the leaders of organized labor and of organized business agree on such matters and where they work together, as they do, for the further development of Lincoln's economic strength and the creation of "more and better jobs for more people."

ARCHIE J. BALEY,
General Manager, Lincoln Chamber of Commerce

☆ ☆ ☆

Fully In Keeping

Lincoln, Neb.

To the editor of The Lincoln Star: Lincoln has a reputation for being one of the most beautiful cities in the Midwest, an honor accorded it because of its clean business section, the university, the beautiful State Capitol building, fine residential areas and tree-shaded streets. It seems a paradox that the most apparent flaw in the modern, progressive look that Lincoln is assuming should be its own City and County buildings.

Now the voters of the county have an opportunity to meet the need for a centrally-located Civic Center. The Municipal Auditorium is now a reality, and the proposed County-City building at its prospective site between Fourteenth and Fifteenth and L and M streets would form the nucleus of a central development of civic buildings. Few cities in the United States are fortunate enough to have a "natural axis" available for civic center development. A vote for the proposed County-City building would not only be a vote for more efficient local government, but also would further the long-needed Civic Center development. The proposed location of the County-City building is within easy walking distance of the retail shopping area, and facilitates access from the outlying districts because of the one-way traffic system and the future north-east and south-east diagonal throughways.

The citizens of Nebraska, through state taxes, have built for Lincoln and Lancaster County residents the beautiful State Capitol and the University of Nebraska. It is the duty of the residents of Lincoln and Lancaster county to meet their obligations by planning for a future development of a Civic Center which will complement the present modern structures of the area. As a taxpayer, my vote will go for the future of Lincoln at the election Tuesday when I cast my ballot for the County-City building bond issue.

ROBERT C. VENNER

☆ ☆

Bond Issues

Lincoln, Neb.

To the editor of The Lincoln Star: The opponents of the issue of bonds, to be voted on the 26th, have missed the most important reasons for voting against the bonds at this time.

Prices of commodities are at their highest and are commencing to drop. Even labor has dropped somewhat. Money to pay taxes during the life of the bonds will be harder to get. It will take more labor, goods and services to pay. We have three large libraries and a few small ones. What is needed now is more branches outside the congested district. The new auditorium has increased the congestion.

Small business and home owners have endured the limit to pay their obligations without increasing taxes.

Our present hospitals can be enlarged as they are needed to meet any required demand. The city-county building can well wait the drop in prices. When that drop comes, if it becomes acute, the purchasing power of the large sum voted, if the bond issue carries, will increase in proportion to the drop in prices. It will cost much less than now. Taxes are the highest in history now. Is this a good time to increase them more?

SMALL BUSINESS MAN

☆ ☆ ☆

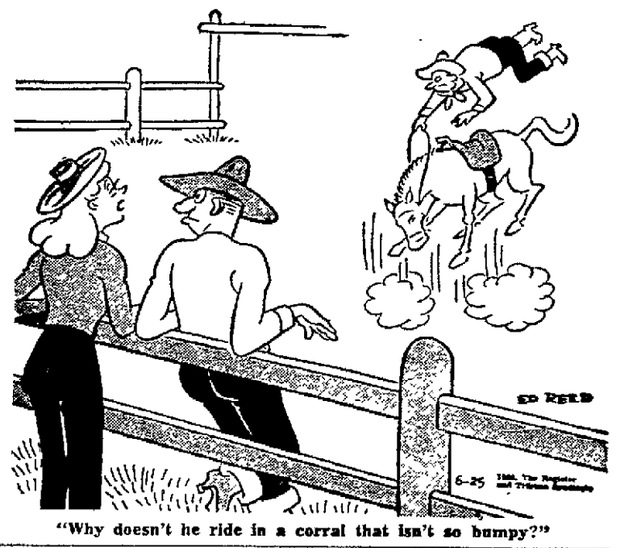

Double-Taxed

Lincoln, Neb.

To the editor of The Lincoln Star: I hope you will print a few words for me about those bonds we are to vote on next week. It seems our higher authorities want to take advantage of us small home owners because we can't pack our little homes in a suitcase and move them to some other state. We are double taxed now and can hardly make a living. They let people, who don't own any homes vote, and mark it on our homes. Is that a fair deal? We can't afford libraries at this time.

County Harvest Holds Up For 'Few Dry Days'

By RICHARD FELLMAN
Star Staff Writer

The combination of light weekend rains and a last minute prayer that a few good, dry days will come along, has led many a Lancaster County farmer to hold off his wheat harvesting until about the middle of the week.

A spot check of farmers around the county reveals a few conditions that seem to re-occur in most localities.

First, the wheat that has been harvested, as well as that still in the fields, seems to be testing well—that it, what wheat there is. Weight is just about always at the optimum of 60 pounds per bushel, while the moisture content ranges, for the most part, between the desired 12 per cent up to the neighborhood of 13 per cent, the upper limit for acceptable storage.

Yield is another question, most farmers say. Average "good" acres are bringing 20 to 25 bushels, while poorer land is considered good if it brings 10 to 15 bushels. Generally, this is about half of last year's crop.

Two Conditions

Special notice is being given to two conditions, often repeating themselves. The first is that of "spotted wheat," a field's having wheat which is not uniform in growth or development.

The second is that of the so-called "second growth," or a field that was burned by the early lack of moisture and which, when the late rains came, produced a second stand of wheat. This "second growth" is forcing many farmers to hold their combining until the entire field is ready, which in turn causes the older and more matured wheat to become "scattered," or fallen from the stand.

Anticipating the storage of the winter wheat crop, many operators say they plan to use their own bins and seal the crop with a government loan. This loan, taken through the Commodity Credit Corporation, allows the farmer to sell his wheat when and if the market price exceeds the loan price.

Glenn Ehlers, who farms 260 acres northwest of Bennet, presented a typical point of view pertaining to storage. He said Sunday he planned to bin his crop at his home place, seal it and take out a government loan.

On this same question, Victor Schwaninger, a Hallam farmer working 750 acres, said he had plenty of storage room in his own bins.

Little Gamble

"I plan to do a little gambling," he said, "and store it until next year. In these times you've got to look for an extra dollar."

Speaking about his crop, Ervin Williams, who farms 200 acres east of Firth, said he had a lot of "very spotty wheat," wheat that's ripe and green in the same field. Because of this condition, he said, he planned to hold up his harvest for a few more days.

Williams also spoke about a "second growth." Much of his crop, he said, was badly burned, or "fired," and with the late spring rains new wheat began. This left him with older wheat which is becoming "scattered."

Typical of crop expectation was the Perry operation, near Malcolm, with 480 acres farmed by Owen and 230 acres farmed by his son, Don. The Perry's haven't begun harvesting, but they expect between 20 and 25 bushels, "maybe."

Guatemala Police Smash Red Rally

GUATEMALA (AP) — Heavily armed police Sunday broke up a demonstration officially branded as pro-Communist. The government decreed a state of alarm to "prevent seditious disorders."

Demonstrators passed out leaflets demanding Guatemala cancel its mutual aid pact with the United States and lift a ban on Communist activities.

Police wielding clubs scattered about 400 demonstrators. Six persons were reported arrested.

Women's Division Holds Brunch

New members of the Women's Division of the Lincoln Chamber of Commerce attended an Orientation Brunch Sunday at the Lincoln Hotel. New members and committee members are (from left) back row: Mrs. Ershal Barshinger, Miss Elva Baxter, chairman; Mrs. Helen Dudgeon, Mrs. Tari King, Miss Helen Snyder, committee member; Mrs. Iva Fifer, Mrs. Berdeen Davenport, Miss Helen Boehmer, committee member; Miss Nellye Knight, (Center row) Mrs. Bertha M. Swanson, Mrs. Lillian Mickle, Miss Lucille Powell, representative; Mrs. Thelma Hecht, president; Miss Mayme Stuckey, board advisor; Mrs. Mary A. Gilligan. (Front row) Mrs. Hazel Smith, committee member; Mrs. Ruth Murphy, committee member; Miss Betty Miller, Mrs. M. Louise Felt, Miss Virginia Burns and Miss Margaret Collins, committee member. The Oak Creek Park project" and the various activities of the Women's Division were explained to the new members at the session. (Star Photo.)

Witness Talk Tags Need Of God's Counsel

The finitness of man and the infinity of God in viewing world affairs were pointed up by L. E. Reusch of New York City at the closing session of the circuit convention of Jehova's Witnesses Sunday at the State Fair Grounds.

Reusch, who is district supervisor of the north central states area spoke on "Consulting God on World Affairs."

"This present system with its social, political, economic and religious structure goes back 4,000 years to the flood and no man upon the earth can of himself see or understand this world and its affairs, but one exists who does know and understands and that one is God. Thus prudent men in recognition of their own limitations will consult God on world affairs," Reusch said.

"Consulting God involves an intellectual appeal, a use of God given reasoning faculties, a humbleness and reverence in approach to him. Humans tapping the channel of divine commuication by consulting God through the Bible are the wisest men on the earth," he continued.

Reusch concluded by saying that those who consult God on world affairs see clearly where this world is heading and they also have a bright hope for the future that is based upon God's Bible promises.

Topic for the three-day convention was "Be Rich in Right Words." Approximately 1,300 were in attendance.

All State Concert Has Big Audience

The All-State High School Fine Arts course at the University of Nebraska presented its Ensemble Concert Sunday afternoon to a large audience in the Student Union Ballroom.

Vaughn Jaenike, supervisor of music at Newman Grove, Neb., directed the concert. He was assisted by Harrold Spicknall and Carol Newell, both University of Nebraska students.

The program featured a brass ensemble, violin and piano duos, trios of flute, woodwind and trumpet, saxophone, violin and string quartets, and a percussion quintet.

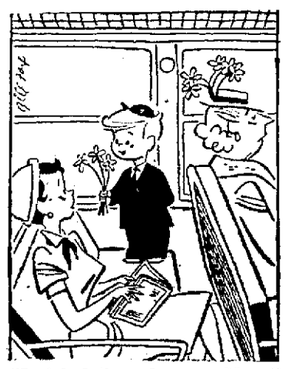

Orphans To Visit Historical Display

Special busses have been arranged to take children from Lincoln orphanges to see the "American Dream" pageant at Gold's.

On Monday children from the St. Thomas Orphange will be picked up at 9:30 a.m. and children from Cedars Home at 2 p.m. Children from Whitehall will be picked up at 1:45 Wednesday.

The "American Dream" is a display of authentic documents, original paintings, scale models and articles made or used by famous people in American history.

WILBERT

"I picked them for you, Mom."

Dr. Coe Requests Formation Of New Spiritual Attitudes

"We are not prepared to face the complex world of today unless we develop new spiritual attitudes . . . the church must adjust to meet the needs of this new, dangerous, hopeful world," said Dr. Albert Buckner Coe, retiring moderator of the General Council of Congregational Christian Churches, at First Plymouth Congregational Church Sunday morning.

"Until we Christians have placed our hands on the sore spots of the world today, can we really know Christ?" Dr. Coe asked. "The Church of Jesus Christ is not centered in Lincoln, Neb., nor in the United States . . . we are one with Christians all over the world," he said.

Dr. Coe was formerly pastor of the First Congregational Church in Oak Park, Ill., and is now president of the Massachusetts Congregational Conference.

Alfred A. Coulter Funeral Tuesday

Funeral services for Alfred A. Coulter, 43, of 440 So. 17th, will be 2 p.m. Tuesday, at Wadlow's Chapel, with Donald Ramu in charge. Burial will be in Wyuka.

Mr. Coulter collapsed at 2737 No. 49th, Saturday and a fire department resuscitator failed to revive him. A deputy coroner attributed death to a heart attack.

Mr. Coulter had been a railroad engineman for the Burlington Railroad since 1943. He was a member of the Brotherhood of Locomotive Engineers.

Surviving are his wife, Betty Jane; daughter Undra, and son Robert, both at home; mother, Mrs. Katie Coulter of Council Bluffs, Ia.; three brothers, Lloyd, Donald and Harold, all of Randolph; and three sisters, Mrs. Gene Kirk of Lincoln, Mrs. Morris Pratt of Council Bluuffs, Ia., and Mrs. Merle Loftis of Coleridge.

Runaways Caught

Four Boys Town youths, all 12-years-old, were picked up by Lincoln police Sunday night as runaways and sent to the detention home. They will be returned to Boys Town.

3-Alarm Fire Burns Out Omaha Firm

OMAHA (AP)—A three-alarm fire early Sunday burned out the Vaughn Insulation Co. building here.

Only the walls of the two-story building remained standing after the blaze. The roof and second floor collapsed during the fire, covering the first floor with debris.

Firemen battled more than two hours before they brought flames under control. Two adjacent businesses were damaged.

An unidentified passer-by discovered the fire. After a third alarm, all off-duty and auxiliary firemen were called to the scene.

Assistant Fire Investigator Walter Downey said the fire apparently had a good start when reported. Investigators were to probe the burned rubble Monday.

There was some water damage at the adjoining firms. Company President Charles T. Vaughn gave no estimate of damage.

Rail Wreck Kills 2

DORTMUND, Germany (AP)—A diesel special carrying rail-roaders on a holiday collided with a scheduled passenger train near Dortmund Station. Two of the holidayers were killed and 140 injured, 20 seriously. No one on the regular train was hurt.

STANTON DELAPLANE

POSTCARD

Most of the airlines will send you a booklet, "How to Pack for Your Vacation." So will the major gasoline companies.

State Chambers of Commerce will flood you with maps. Bus companies will plan your itinerary. South Sea island tourist agents will send you "colorful descriptive material."

The reason for this is that 80,000,000 Americans are on the move. Or wish they were. Or intend to if they ever get the scratch. The total outlay being somewhere in the neighborhood of 17 billion dollars. (I wish I lived in that neighborhood but cannot afford it.)

This bundle is so juicy that thousands of citizens make their entire living on it. Selling gasoline or postcards. Poisoning the sturdy public with things that are sold under the sign "Good Eats."

In short, it is a matter of Big Business. Therefore, worth a noble look at the noble cause.

* * *

I mention this only because I have been packing, myself. Did it all without a "colorful descriptive folder."

I will be glad to tell you how to pack. This is a free service. But I find all service is so free these days I cannot figure any way to charge for it.

Packing is a matter of getting things into a suitcase.

The suitcase should be square. At least, it should have square corners. A square-cornered suitcase is just what you need in a small motel room. Because if you rise in the dark, its square corners catch you right in the shin. This proves you have not been robbed while you were asleep.

The suitcase should be packed with necessary things. Lay out all your things; then discard ruthlessly. (I did not think this up myself. I read it somewhere a long time and good will in the world.

What is raising a good deal of fuss in the world is impossible promises. The person who promises to let you pack in the suitcase you already have is dangerous.

I recall from some travel advice, "Don't force a suitcase closed. It is apt to warp. Pack carefully instead."

I cannot remember who this was. I wish I could. For I would never buy his gasoline. Or fly his airline or whoever it was.

There is no suitcase in the world that will close without the whole ago and am still rolling on the floor with laughter.)

You can discard as much as you want. You will still NEVER get it all in the suitcase. Get that through your head and you will be saved a lot of disappointment.

What happens is you finally despair and go out and buy another suitcase.

Then you can start adding things.

* * *

If everybody started out this way, there would be more peace family sitting on it. Absolutely none. Face it.

The best way to do this is to put two adults on each end (where the snaps are). Then have a child stand on it in the middle and jounce up and down. With each jounce, you reach down, between your legs, and try to catch the snap.

* * *

As an old suitcase packer, I have found this works every time. Once snapped, you will find you left your shirts out. They are in the center drawer.

That is why I advise having the child to help you bounce on the suitcase. Their weight is of little value. But when you find what you have left out, you can cuff their ears off. And this gives you a little relief.

With a few snarling well-chosen words, you can prove beyond doubt that it was the child's fault that you left the shirts out.

Or if you can't, you have no business packing a suitcase anyway. It needs a strong temperament and we start with the idea that somebody else is always wrong.

(McNaught Syndicate, Inc.)

Mrs. Irma F. Bley Rites Wednesday

Funeral services for Mrs. Irma F. Bley, 40, of 2005 So. 40th, will be held 2 p.m. Wednesday at First Church of the Nazarene, 33rd and C, with the Rev. J. H. White officiating. Burial will be in Lincoln Memorial Park.

Mrs. Bley died Sunday at home.

Born in Syracuse, Neb., Mrs. Bley had lived in Lincoln 24 years.

She was a member of the First Church of the Nazarene.

Surviving are her husband, Rueben L.; two sons, Rueben and Arthur, both at home; mother, Mrs. Elizabeth Kendle of Lincoln; sister, Mrs. Selma Lake of Lincoln; and five brothers, Dr. Walter E. Kendle, E. R. Kendle, Russell I. Kendle, Orval O. Kendle, all of Lincoln, and Albert F. Kendle of Kearney.

Had Sunday Wedding

MRS. HAROLD EUGENE ROSENAU

At a 7 o'clock ceremony on Sunday evening, June 24, the marriage of Miss Virginia Ann McPeck, daughter of Mr. and Mrs. Leslie M. McPeck of Geneva, to Harold Eugene Rosenau, son of Dr. and Mrs. H. A. Rosenau, also of Geneva, was solemnized at the First Congregational Church in Geneva. The Rev. Loyal Werner read the lines of the service before a background of lighted candles, in seven-branched holders, and spreading fans of white Majestic daisies and white gladioli arranged against a screen of Woodwardia trees. Miss Mary Ann Hrubesky, organist, played the wedding music and also accompanied Walter Carlson of Lincoln, who presented a prelude of violin music preceding the ceremony, and Miss Carol Asbury of St. Joseph, Mo., the vocal soloist.

The attendants, Miss Shirley McPeck, her sister's maid of honor; and the bridesmaid, Miss Beth Rosenau, sister of the bridegroom, were frocked alike in soft pink crystalette over taffeta. Beneath the fitted bodices the waltz-length skirts were extremely bouffant, and their costumes were completed with frock-toned picture hats of tulle. Each carried a crescent bouquet of white daisies. Brenda Stiers was the flower girl.

Ronald Rosenau of Tobias served as best man, and the ushers included Doil Barlow, Casper, Wyo.; John Vacik, Lincoln; Howard Brooks and Leon Hutchins.

The bride appeared in a gown of white lace and tulle that was designed with a deep portrait neckline in a brief-sleeved, fitted bodice, and the voluminous tulle skirt was patterned with a flounce-depth overlay of lace. A halo of hearts, embroidered with iridescent sequins and seed pearls, held to the head her waist-length veil of illusion, and she carried a cascade bouquet of stephanotis centered with white orchids.

Mr. Rosenau and his bride, following the reception in the church parlors, left for a honeymoon trip to Yellowstone National Park after which they will return to Lincoln where they will reside at 2504 No. 56th St.

The bride is a graduate of the University of Nebraska School of Music and is a member of Alpha Omicron Pi sorority, Sigma Alpha Iota and Pi Lambda Theta. Mr. Rosenau is a graduate of Nebraska Weselyan University, where he is a member of Theta Chi fraternity, and now is a senior in the University of Nebraska College of Dentistry, and a member of Xi Psi Phi fraternity.

EXCITING NEWS

THERE'S mighty interesting news around town this morning, for we turn the social spotlight on a betrothal of considerable interest.

This morning Mr. and Mrs. Charles H. Boedeker of Murray are announcing the engagement of their daughter, Nancy Jane, to Morton Bruce Martin, son of Mr. and Mrs. Bennett S. Martin.

A December wedding is planned.

Miss Boedecker was graduated from Brownell Hall, Omaha, and attended William Woods College, Fulton, Mo., where she is a member of Phi Beta, music sorority. She now is attending the University of Nebraska where she is a member of Kappa Kappa Gamma sorority.

Mr. Martin was graduated from Shattuck Military School, Faribault, Minn., and also is a graduate of the University of Nebraska where he is a member of Sigma Chi fraternity, Alpha Kappa Psi, business fraternity, and Phi Mu Alpha Sinfonia. Mr. Martin also is a member of Innocents, honor society for senior men.

* * *

WE HAVE other brides-elect in the news this morning, too—Miss Jo Jen Loder, for instance, whose marriage to Frank Havens Tuban of Mountain View, Calif., will take place on June 29.

This morning Miss Loder announces that members of the bridal party will include Mrs. John C. Fisher of Mountain View, the matron of honor, and Mrs. Robert Kasmarek of Janesville, Wis., the bridesmatron. Mrs. Norman Lock will light the candles.

John C. Fisher of Mountain View will serve Mr. Tuban as best man, and the ushers will be Harold P. Turner, and Richard Decker of Chicago, Ill. John Turner will be a junior usher.

* * *

IN prenuptial courtesy to Miss Loder Mrs. William Kimball, Mrs. Donald Etmund, and Mrs. William Svoboda of Hebron, will be hostesses next Wednesday when they entertain at luncheon at the home of Mrs. Kimball. The soon-to-be bride will be presented with a patio and barbecue shower.

* * *

BUT before Wednesday comes Tuesday—the day that Mrs. Robert Kasmarek will be a luncheon hostess when she entertains at the home of her parents, Mr. and Mrs. Dwight Coble.

And on Saturday evening Mr. and Mrs. Norman Lock were host and hostess to a small group of guests when they entertained at dinner at the University Club, complimenting the bride-elect.

* * *

SOMEONE told us that Dr. William Wilson and his sons, Stephen and David, spent the week-end in Lincoln, the guests of Dr. Wilson's mother, Mrs. Claude S. Wilson. From Lincoln Stephen and David will go to Camp Lincoln, Minn., but Dr. Wilson will return to his home in Denver.

* * *

UNDERSTAND that Mr. and Mrs. George Lemon and their two grandchildren, Ann and Chip Maly, took off Friday for a week's holiday at Clear Lake, Ia. The vacationists will be joined there on Wednesday by Mr. and Mrs. Stanley Maly, Jr., and their younger son, George.

* * *

FROM Bordentown, N.J., comes news of the birth of a daughter, Judy Joan, to Lt. and Mrs. Edwin Perry on Saturday, June 23. Miss Judy Joan's maternal grandparents are Mr. and Mrs. Henry Hanson, and her paternal grandparents are Mr. and Mrs. Arthur Perry.

* * *

THIS IS the day that Mrs. Robert Diers and Miss Mary Chapin will arrive home from Coronado, Calif., where they attended the national convention of Delta Delta Delta sorority.

Also attending the convention was Mrs. Lloyd True who, however, will not be returning home until Friday. She has been spending the past few days as the guests of former Lincoln residents, Mr. and Mrs. Homer Moody in Long Beach.

MISS NANCY JANE BOEDECKER

Honored At Shower

Mrs. Connie E. Sidell was a supper hostess at her home on Friday evening when she honored Mrs. William Tefft. The 22 guests, all members of secretarial staff of the state department of education, presented the honoree with a pink and blue shower.

Out of town guests at the party included Mrs. Richard Hull, Milford; Miss Mary Lou Kravenick, Scottsbluff, and Miss Thelma Kaufman, Broken Bow.

Family Reunion

A family reunion picnic held at the University Place Park honored guests from the west coast, including Mr. and Mrs. A. M. Delhay Jr., and their children, Larry, Marlene and Melody, of Manhattan Beach, Calif., and Mr. and Mrs. Jack Staberg and their daughters, Candice and Janice, of Venice, Calif.

Other members of the family attending the picnic were Mr. and Mrs. A. M. Delhay, and five of their children and their families, including Mr. and Mrs. George Staberg and three of their children and their families; Mr. and Mrs. Phil G. Staberg, their two children and their families, and Mr. and Mrs. Charles Myers and two of their children and their families.

Mr. and Mrs. Jack Staberg and their family left late last week for Pierce where they will visit Mrs. Staberg's parents before returning to the west coast.

Doris Anderson, Bride

MRS RICHARD TRUPP

With arrangements of white gladioli appointing the chancel, and lighted cathedral candles, caught with nosegays of pink, blue and white daisies marking the processional aisle, the marriage of Miss Doris Jean Anderson, daughter of Mr. and Mrs. Paul W. Anderson of South Sioux City, to A. Richard Trupp, son of Mr. and Mrs. Adam Trupp of Hastings, took place on Sunday afternoon at the First Presbyterian Church in South Sioux City. The Rev. Earl Anderson solemnized the 4 o'clock ceremony, and the wedding music was played by Mrs. George Schrader who also accompanied the vocal soloist, Mrs. Jack Konegni.

Crystal silk in the sky-blue shade fashioned the alike costumes of the attendants including Miss Jan Orwig of Lincoln, the maid of honor; and the bridesmaids, Miss Mary Gattis, Harvey, Ill.; Miss Shirley Mills, Edgar; Miss Marlene Beermann, Dakota City, and Miss Janice Shearer. The frocks were designed with elongated bodices completed with hipline folds of silk which extended into back bows. Each carried a basket bouquet of pink, blue and white daisies. Miss Barbara Trupp, sister of the bridegroom, was the junior bridesmaid, and lighting the candles was Miss Megan Jones of St. Anthony, Ida., Neva Jones, also of St. Anthony, was the flower girl.

Jerold Trupp of Hastings served his brother as best man, and seating the guests were Richard Hill, William Cirksena, both of Hastings; Jack Parris, Lincoln, and Andrew Hove, Minden.

Delicately embroidered white organdy was chosen by the bride for her wedding gown. The brief-sleeved bodice, designed with a bateau neckline, was snugly fitted above the voluminous skirt created of triple tiers of organdy. A shell hat, trimmed with pearls, held in place her lace banded veil, and she carried a small white Bible ornamented with white orchids.

After the reception, held in the church parlors, Mr. Trupp and his bride left for Norfolk, Va., where Ens. Trupp will report for duty.

The bride attended the University of Nebraska where she is a member of Chi Omega sorority, and plans to continue her college work at the University of Florida. Ens. Trupp is a graduate of the University of Nebraska and is a member of Delta Tau Delta fraternity.

Hellos And Goodbyes Prompt Air Force Parties

An Hawaiian luau that really really was a luau was the party given by Capt. and Mrs. James D. Chambers on Friday evening when they entertained in honor of their house guests, Maj. R. K. Lutz and Mrs. Lutz, of the Travis Air Force Base, Calif.

The fine points of the luau came under the supervision of Maj. Lutz who knowns all about luaus since he is a native of Hawaii—and judging from the appearance of the table, experience does count when it comes to arranging things in their proper fashion.

Seated around the attractive setting are, left to right, Mrs. Lutz, Maj. Lutz, Capt. E. C. Caudel, Mrs. Caudel, Col. E. C. Hardin, Capt. Chambers, Capt. J. G. Watt, Mrs. Watt, Mrs. Chambers and Mrs. Hardin.

When Capt. and Mrs. Millard W. R. Pratt were host and hostess at their home on Friday evening, the party was a buffet supper in farewell courtesy to Col. and Mrs. William G. Gillespie who leave early in July for Montgomery, Ala., where Col. Gillespie has been assigned to War College.

We hear that also in the group are another officer and his wife who may be leaving soon for far away places—But since no official word has been given, farewell courtesies for them are not in order—as yet.

Serving themselves from a table which included a number of Arabis delicacies are, left to right:

Capt. Pratt, Mrs. Pratt, Col. Gillespie, Mrs. G. A. Plank, Mrs. Gillespie, Capt. R. M. Teasdale and Mrs. Teasdale.

Navy Wives Will Meet

The members of the Navy Wives Club will meet at 7:45 o'clock on Tuesday evening, June 26, at the Lincoln Naval Air Station Officers Club.

Wives of navy men and marines are urged to attend as it is planned to hold nomination and election of officers at their meeting.

Wedding In July

Mr. and Mrs. G. W. Hart announce the engagement and approaching marriage of their daughter, Nancy, to Bernard Rivlett Jr., son of Mr. and Mrs. Bernard Rivlett.

The wedding will take place on Saturday, July 14, and the ceremony will be solemnized at 2 o'clock in the afternoon at the Trinity Methodist Church.

THE STAR IN SUBURBIA

There are plenty of conversation topics in the Cotner Terrace vicinity these days, and not the least among them is fish—and the fish topic has many angles—the one that got away, the ones they gave away, and such questions as "who caught the biggest and most." But in addition to the fishing expeditions to Lake Okoboji and Wisconsin the past week has been highlighted with picnics, preparations for guests, and adieus to departing neighbors.

Heading the list of picnic entertainers were Mr. and Mrs. Darrell Karr who entertained picnic fashion last Sunday when their guests were Mr. and Mrs. Melvin Karr and their daughter, Lynn, of Dillon,Mont; Mr. and Mrs. Albert Karr, Seward; Mr. and Mrs Sherman Morgan, Mr. and Mrs. Leland Morgan and their daughters, Lorraine and JoAnn, Utica; Mr. and Mrs. LeRoy Morgan and their children, Steven, Linda, and Sharon, and Mr. and Mrs. Dwaine Karr and their son Steven.

And we hear that Mr. and Mrs. David Schroeder will join 30 relatives on the Fourth of July, when they attend a picnic at the home of Mrs. Schroeder's parents, Mr. and Mrs. H. H. Friesen, in Henderson.

We suspect that Mr. and Mrs. Marcell Hansen and their daughter, Narcia, were the envy of their neighbors early last week when the three Hansens took off for northern Wisconsin where they plan to spend their vacation and they hope, catch plenty of fish.

Speaking of vacations — hear that Mr. and Mrs. Frank Wiedemann have returned from St. Louis where they spent several days visiting Mr. Wiedemann's son and daughter-in-law, Mr. and Mrs. Robert Wiedemann and their children, Jeanne and Tommy; and his sons-in-law and daughters, Mr. and Mrs. Jerry Schwaab and Mr. and Mrs. Al Skubig.

Among the younger generation of vacationists is Richard Bornemeier, son of Mr. and Mrs. David Bornemeier, who is the guest of his grandparents, Mr. and Mrs. E. J. Brass, in Sargent. Richard returned home with his grandparents following their visit in Lincoln.

We're quite sure that moving away from their old home isn't the easiest thing that Mrs. Stella Hawkins and her sister Mrs. Ella Snyder, who have resided together in Holmesville for a number of years could do—But we are also certain that having all of their families from Lincoln and Holmesville on hand Sunday, was a help.

Attending the farewell-to-housekeeping party were Mr. and Mrs. Robert Hawkins, their children, Evelyn and Bobby; Mr. and Mrs. Harold Hawkins and their family, and Mr. and Mrs. Fay Hawkins and daughter, Marilyn, all of Lincoln.

Mrs. Hawkins is moving from Holmesville to Lincoln, and Mrs. Snyder will reside with a daughter in Holmesville.

Understand that Cotner Terrace is losing one of its families around July 1. Mr. and Mrs. Richard Krueger and their sons, Kirk, Stephen — and the twins, Jeff and Jerry, will be leaving at that time for Kansas City, Kan., where Mr. Krueger will be associated with the Continental Oil Co.

Heard that the members of the Terrace's monthly Pinochle Club were out and about on Friday evening—The group met at the home of Mrs. Harry Becker and on hand for the evening of cards were Mrs. Paul Hartman, Mrs. Joe Laub, Mrs. Jack Ketterer, Mrs. James Folsom, Mrs. Don Dickensen, Mrs. Bernard Logan, Mrs. Frank Logan, Mrs. Ralph Wolfe, Mrs. Rex Mercer, Mrs. W.S. Staberg and Mrs. John Shipferling.

Officers Installed

At their June meeting held at the NCO Club, the members of the NCO Wives Club installed their new officers: The new official staff was installed by Mrs. Arch Johnson after which the incoming president, Mrs. Jack Libby, announced the chairmen of standing committees.

Mrs. Albert Ponsock, the retiring president, will serve as chairman of publicity; Mrs. Eldon Staplecamp, social committee, and Mrs. Luke Draffin, chairman of the welcoming committee.

A special guest at the meeting was Mrs. William G. Gillespie, the club advisor.

FORMER COEDS ARE JUNE BRIDES

MRS. ALAN F. OSBORNE

MRS. ROBERT DEAN FICKE

MRS. ROGER HUTCHINGS

MRS. MYRON MURL MAUPIN JR.

EATON-OSBORNE

Arrangements of yellow and white gladioli, and lighted candles in seven-branched candelabra appointed the chancel of the First Presbyterian Church in Fremont for the wedding of Miss Marilyn Eaton, daughter of Mr. and Mrs. W. D. Eaton of Fremont, and Alan F. Osborne, son of Mr. and Mrs. C. J. Osborne of Ft. Morgan, Colo., which was an event of Sunday afternoon, June 24. The lines of the 4 o'clock ceremony were read by the Rev. Ralph V. Gilbert, and Mrs. Brian Hendrickson, the vocal soloist, was accompanied by Marvin Schore who also played the wedding music.

Ballerina frocks of pastel blue crystalette were chosen for the the attendants including Miss Elizabeth Stephenson, the maid of honor; and the bridesmatrons, Mrs. Robert Pfann, Mrs. Gerald Ingraham, and Mrs. William B. Eaton of Omaha. Designed with low rounded necklines, the fitted bodices were ornamented with inserts of pleated crystalette, and the pleated motif was repeated in a back panel for the wide ballerina-length skirts. Each carried a nosegay of yellow carnations. The Misses Gwenith and Crystal Osborne, sisters of the bridegroom, lighted the candles, and Cindy Osborne, also a sister of the bridegroom, was the flower girl.

Richard A. Jolliffe of Ft. Morgan, Colo., served Mr. Osborne as best man, and seating the guests were Everette March, Roger Osborne, both of Ft. Morgan, and Dr. William B. Eaton, Omaha, brother of the bride.

Chantilly lace and tulle over taffeta fashioned the bridal gown. The long-sleeved lace bodice, designed with a heart-shaped neckline patterned with pearls and sequins, was smoothly sculptured and the lace was repeated in panels that drifted over the exceedingly bouffant skirt of tulle. A crown of satin, embroidered with seed pearls and iridescent sequins, held to the head her veil of illusion and she carried a cascade bouquet of white carnations and stephanotis.

After a brief honeymoon trip Mr. Osborne and his bride will reside at 4042 Gramercy, Houston, Tex.

Mrs. Osborne is a graduate of the University of Nebraska where she is a member of Pi Beta Phi sorority. Mr. Osborne, a graduate of the Colorado School of Mines, is a member of Tau Beta Phi and Blue Key. He is now associated with an oil company as an engineer.

GARTIN-FICKE

With only members of the families and a small group of close friends attending the 2 o'clock ceremony, the marriage of Miss Shirley Veronica Gartin, daughter of Mr. and Mrs. P. W. Gartin of Wray, Colo., to Robert Dean Ficke, son of Mr. and Mrs. E. W. Ficke of Lincoln, was solemnized at St. Andrews Church in Wray. The Rev. Joseph A. Korb solemnized the ceremony.

Miss Janice Coral Gartin, sister of the bride and maid of honor, and the bridesmaids, Miss Marlene Ficke, sister of the bridegroom, and Mrs. Wallace Faris of Denver, Colo., wore identically styled ballerina-length frocks of coral crystalette. The elongated fitted bodices were fashioned with round necklines and brief sleeves. Matching gloves and picture-frame hats completed their costumes, and each carried a basket of summer blossoms. The bride's niece, Deanna Derowitsch, was the flower girl and the rings were carried by Stafford Paul Gartin, nephew of the bride.

Donald Ficke served his brother as best man and the ushers were Marion Gartin, brother of the bride, and Paul Wendell.

For her wedding, the bride chose a gown of white Chantilly lace and tulle over taffeta. Natural lace scallops outlined the low portrait neckline and extended over the brief sleeves. The extremely bouffant tulle skirt was completed with a brief chapel train. A renaissance cap of lace, dotted with sequins, held in place her circular veil of illusion, and she carried a white prayer book marked with white orchids and stephanotis.

Following the reception, Mr. Ficke and his bride left for a honeymoon trip to Jackson Lake Lodge in Wyoming, and upon their return they will reside at 1900 So. 45th St.

Mrs. Ficke is a graduate of Colorado State College of Education where she is a member of Theta Sigma Upsilon sorority. During the past year she was a member of the Colorado Springs Public School faculty. Mr. Ficke is a graduate of the University of Nebraska where he is a member of Delta Sigma Phi and is associated with the First Trust Company.

MARTENS-HUTCHINGS

Three hundred and fifty invitations were issued for the wedding of Miss Faye Marie Martens, daughter of Mrs. John M. Martens of Chappell, and Roger Herrick Hutchings, son of Mr. and Mrs. Rubel Hutchings of Allen, which took place at the Methodist Church in Chappell on Sunday afternoon, June 24. The 3 o'clock ceremony was solemnized by the Rev. Lowell D. Jones before a background of summer flowers and lighted candles in seven branched candelabra. Miss Gloria McCord, who played the wedding music, also accompanied Mrs. Robert Jewett and Richard Hall, the vocal soloists.

Mrs. Robert Jewett, the matron of honor, in aqua-toned polished cotton, and the bridesmaids, Miss Margaret Hrubesky of Geneva; Miss Anne Hutchings, Allen, sister of the bridegroom, and Miss Kay Furman of Lincoln, in pink polished cottons, appeared in identically styled waltz-length frocks designed in the princess mode. Each carried a colonial bouquet of pink rosebuds on white daisies. Miss Judy Jones and Miss Jeanie Slinger lighted the candles.

Bruce Hutchings served his brother as best man and seating the guests were Edgar Hoffman, Denver; Leslie Rivers and Charles Friederich, both of Seward; Charles Bagby, Sidney, and Roger Zehr.

For her wedding the bride chose a gown of Chantilly lace and faille-taffetta. The molded, long-sleeved bodice of lace was fashioned with a wide V neckline, banded with Faille, and the voluminous faille skirt flared into extreme fullness and fashioned a white whisper train. Her fingertip veil of illusion was held to the head with a bandeau of lace and she carried a colonial bouquet of stephanotis, sweetpeas, rosebuds and carnations.

Following a reception in the church parlors Mr. Hutchings and his bride left for a honeymoon trip to Colorado after which they will go to Omaha where they will reside at 4186 Wakely.

Mrs. Hutchings is a graduate of Nebraska Wesleyan University where she is a member of Alpha Gamma Delta sorority, Cardinal Key and Kappa Delta Pi. Mr. Hutchings also was graduated from Nebraska Wesleyan, where he is a member of Theta Chi fraternity, and now is a student at the University of Nebraska College of Medicine, Omaha, and is a member of Phi Chi medical fraternity.

STANTON-MAUPIN

Lighted candles in branched holders, and pedestal urns filled with white Shasta daisies and white gladioli, appointed the chancel of the Stromsburg Methodist Church where the marriage of Miss Jacklyn Stanton, daughter of Mr. and Mrs. John T. Stanton of Stromsburg, to Myron Murl Maupin, Jr., son of Mrs. Viola Maupin and Myron M. Maupin, both of North Platte, was solemnized on Sunday afternoon, June 24. The Rev. E. C. Williams solemnized the 4 o'clock ceremony and Mrs. Larry Nelson, who played the wedding music, also accompanied the vocal soloist, Mrs. Carroll Brown.

Miss Gerayne Swanson, as the maid of honor, and Miss Lona Rae Johnson, the bridesmaid, appeared in alike frocks of organdy in the aqua shade. The bodices, fashioned with low, portrait necklines, were completed with wide, snugly fitted cummerbunds of taffeta above the bouffant, waltz-length skirts. White Marguerite daisies fashioned their hair bandeaux, and each carried a bouquet of the blossoms.

Michael Callaghan of North Platte served Mr. Maupin as best man, and the ushers were Joe Poynter, Kearney; Richard Satterfield, North Platte, and Charles Searle of Colorado Springs.

A gown of embroidered organdy was chosen by the bride for her wedding. The fitted, brief-sleeved bodice was designed with a shoulder-wide neckline framed with natural scallops of embroidery, and the wide skirt was created of triple tiers of the organdy. Her waist-length veil of illusion was held to the head with a small, jewelled organdy cap, and she carried a bouquet of white Marguerites and stephanotis.

Following a honeymoon trip to Colorado, Mr. Maupin and his bride will reside in Houston, Tex.

The bride attended the University of Nebraska where she is a member of Pi Beta Phi sorority, Gamma Alpha Chi, Alpha Lambda Delta and Omricon Nu. Mr. Maupin is a graduate of the University of Nebraska and a member of Phi Gamma Delta fraternity.

Marilyn Gustafson Weds

The marriage of Miss Marilyn Gustafson, daughter of Mr. and Mrs. A. Elmer Gustafson of Eaton, Colo., to Donald R. Holmberg, son of Mr. and Mrs. A. E. Holmberg of Grand Island, was solemnized on Sunday evening, June 10, at the Evangelical Free Church in Eaton. Lighted candles and arrangements of white and pink blossoms decorated the chancel for the double ring service, which was read by the Rev. John Hedlund, and the wedding music was played by Marvin D. Holmberg of Chicago, who also accompanied the vocalist, Mrs. John Hedlund.

Wearing frocks of pink shadowed taffeta fashioned with snug, Empire bodices and widely-flaring skirts were Miss Marjorie Ann Gustafson of Eaton, who was her sister's maid of honor, and the bridesmaids, Miss Kathryn Holmberg of Grand Island and Miss Beverly Nelson of Greeley, Colo. The attendants carried fans of white lacelon clustered with pink roses and daises, and wore headbands of the blossoms. Lighting the candles were Miss Nancy Gustafson, also a sister of the bride, and Miss Debra Ottoson, and the flower girl was Miss Marge Gustafson, a cousin of the bride.

Serving as best man was Gerald R. Holmberg of Galeton, Colo., and the ushers were Norman Holmberg of Aurora, Stanley Lahm of Lincoln, William G. Leafgren, Lucerne, Colo., Charles Gustafson, Lynn Ottoson and Wendell Ottoson, all of Eaton.

The bride appeared in a gown of white imported lace and French tulle over satin. A tiny, sequin-embroidered collar of lace accented the off-shoulder yoke of illusion, and the fitted bodice of lace was completed by long, tapered sleeves. Beneath the narrow waist, alternate panels of lace and tulle formed the wide skirt, and her lace-edged veil of illusion was held by a jeweled tiara. She carried a white orchid encircled with pink sweetheart roses and valley-lilies.

A reception for 250 guests was held in the church parlors, after which Mr. Holmberg and his bride left for a honeymoon trip to Grand Lake and the Rocky Mountain National Park. The couple will reside at 1125 Idylwild Dr., in Lincoln where the bridegroom is attending the University of Nebraska College of Agriculture following service with the Air Force. Mrs. Holmberg is a former student at Colorado A and M College, Ft. Collins, Colo.

We Hear That

Mrs. Connie Sidell and her two children, Susan and Joel, and Mrs. Sidell's mother, Mrs. R. H. Stalcup, now are settled in their new home at 2401 Colonial Dr. Mrs. Stalcup returned yesterday from a vacation trip to California, and last Thursday brought Miss Susan Sidell home from Morrilton, Ark., where she had been attending a Red Cross Leadership Camp.

★

Mr. and Mrs. John W. Moser left for their first vacation in 20 years late last week, and have gone on a two weeks holiday to California and Oregon. They went first to Redondo Beach, Calif., where they are spending some time with Mrs. Moser's mother, Mrs. Joe Kremarik, and in Oregon they will visit Mr. Moser's sister.

Betrothal Announced

MISS GEORGEAN LUTJE

Announcement is made this morning by Mrs. Lorraine Lutje of the engagement and approaching marriage of her daughter, Georgean, to Merwin Gene Warner, son of Mr. and Mrs. Kenneth Warner of Iowa Falls, Ia.

The wedding is planned for July and the ceremony will be solmnized at the chapel at the Lincoln Air Force Base.

History Comes To Life In The "American Dream" Pageant

History, which to some can be a very dull subject, just a matter of printed words in a history book, can actually come alive at The "American Dream" Pageant. This dramatic historical display gives a graphic picture of our American heritage. Opening Monday, June 25th in GOLD'S fourth floor auditorium, and running for three days it offers a tangible picture of American history in the making.

Endorsed by leading educators and containing one of the finest collections of Americana ever to be assembled, The "American Dream" consists of an exciting array of exhibits furnished by the Departments of Defense, Treasury, Labor, Interior, Agriculture and the U. S. Patent and Post Office, plus 25 leading museums and historical societies.

The exhibition will offer an opportunity for the student of history to see at first hand such priceless, original documents as Washington's letter-request to the Continental Congress for funds for his troops at Valley Forge; Lincoln's notes on the Emancipation Proclamation; the complete set of original signatures of 56 signers of the Declaration of Independence.

Contemporary history will be illustrated by the Department of Defense with the Army's showing of the atomic cannon model.

Many important events in American history are illustrated by beautiful paintings by famous artists. Such displays as the "Momentos of Theodore Roosevelt", "The Story of Lindbergh", "Souvenirs of Davey Crockett" and many more.

The "American Dream" features outstanding exhibits in the cultural field including Stephen Foster's prayer book and one of his original manuscripts. The Library of Congress has contributed a reproduction of the original manuscript of Longfellow's poem "The Village Blacksmith". Of special interest is the solid gold trumpet used by W. C. Handy, composer of the immortal St. Louis Blues. There are many items of special significance showing the various phases of our American culture.

Whether you are a student of history, a collector of art or an average individual interested in the remarkable progress of our nation, you are sure to be fascinated by The "American Dream". See it for sure at GOLD'S in the fourth floor auditorium, Monday, Tuesday or Wednesday, June 25th, 26th and 27th. There is no admission charge for this wonderful exhibit.

ONE BUILDING...INSTEAD OF *TWO!*

ONE dollar in taxes . . . instead of *TWO!*

How ONE City-County Building Can Save You Money

The present Court House and City Hall are dollar-gobbling monstrosities. They are completely inadequate, yet cost thousands of dollars annually just to keep in their present dilapidated state.

ONE new County-City Building will save us, the taxpayers, this needless annual draining-off of our valuable tax money. Here's how:

1. CONSTRUCTION. It costs less to build one building instead of two.
2. MAINTENANCE. It costs far less for heat, light, custodial services, and other utilities for one building instead of two.
3. CONSOLIDATION OF DEPARTMENTS. Several county and city offices can be joined and avoid wasteful duplication of services.
4. EFFICIENT OPERATION. New, modern offices and equipment will save many hours of tedious labor by eliminating costly, old-fashioned methods of recording, filing, and keeping records. In addition, at last there will be a safe place to keep valuable and irreplacable papers and documents.
5. ELIMINATION OF RENTED QUARTERS. For years, both city and county departments have been forced to find office space in rental property. The new joint building will provide adequate space for all departments and allow for future expansion, too.
6. CUTS OUT COSTLY REPAIRS. The present buildings are literally falling to pieces. Ceilings have crashed in on courtrooms, and outside masonry has smashed to the sidewalk. Last year, over $126,000 of our tax money was paid out just for repairs and maintenance.
7. AVOIDS POSSIBLE LAW SUITS. The antiquated condition of these buildings today is a threat to additional thousands of our tax dollars. At any moment, one of our citizens could be severely injured or killed by part of these buildings collapsing. A potential law suit is a serious danger and threat to our tax money.

20,000 Britons Watch Hogan Shatter Par

By STERLING SLAPPEY

VIRGINIA WATER, England (AP)—Ben Hogan shot his way through a frenzied, stampeding mob of 20,000 golf fans Sunday to a brilliant 31-37—68 and a tie with Peter Thomson for the individual lead in the Canada Cup international golf extravaganza.

The three - under - par opening round came on Wentworth Club's rugged "Burma Road" course. It was Hogan's first round of golf in England and the record-breaking, unruly gallery was mostly due to the iron-jawed Texan who already is a legend in this home of golf.

144 Total

His 68, coupled with the shaky, loosely played and poorly putted round of 76 by partner Sam Snead gave the U. S. team a 144 total, two strokes higher than the leading Australian team total.

The national two-man team with the lowest aggregate score after 72 holes Tuesday night wins the fourth annual Canada Cup championship. The player with the lowest 72 holes wins the individual international golf championship.

The same medal scores are counted for both the team and individual championships.

Behind the 142 amassed for Australia by Thompson's 68 and Norman Von Nida's 74 came 143's by Mexico and Wales, then the United States and Canada at 144. At 145 were South Africa and Belgium.

Individual Competition

Stan Leonard of Canada, Dennis Smalldon of Wales and Roberto de Vicenzo, the Argentinian who plays for Mexico, were second in the individual competition with 69. Next were 71's by Flory Van Donck, Belgium; Alfonso Angelini, Italy; Michio Ishii, Japan; Bobby Locke, South Africa, and Miguel Angel of Spain.

Hogan's brilliant 31 on the outbound nine of the par 35-36—71 course was full compensation for what easily was the largest crowd in English golf history.

Turn Back Clock

To find a turnout of 15,000 you must turn back 25 years to the great days of Bobby Jones. Hogan opened the round by knocking in a 30-yard chip shot on the first hole. As the birdies fell, the golfing clan gathered.

When he got another birdie 2 on the 10th, the crowd with him was edging towards the 20,000 mark.

Hogan hit a tree with his tee shot on the 11th and took a 6, proving he is human. But the huge crowd never left him despite a much cooler brand of golf on the home nine.

His putting fell off and he began missing three and four-footers, just as he did two weeks ago in Rochester, N. Y., when he failed by a stroke to win his fifth U. S. National Open.

On the 17th Sunday he missed a four-footer and that was his last reasonable chance of pulling ahead of Thomson.

After the round, Hogan said "That crowd—I don't mind a lot of people but I never saw anything like that but once before.

"That was at Carnoustie (in 1953, when he won the British Open.)

"That sort of crowd discourages people from watching golf."

He was asked if the big turnout "discouraged him." Hogan answered "no."

Close Quarters At Second

Umpire Frank Dascoli is on top of the play as Milwaukee Braves' Johnny Logan (23) beats a throw to New York Giants Second Baseman Daryl Spencer for a double in the second inning of their twin-bill opener at the Polo Grounds Sunday. Spencer got the throw from left fielder Dusty Rhodes who fielded Logan's blow. Milwaukee won the opener, 6-2, to extend its winning streak to nine games. (AP WIREPHOTO)

Stuart Hits 35-36-37

Bailey Hits Trio As Reds Win 2 From Brooklyn, 10-6, 2-1

BROOKLYN (AP)—Powered by six home runs, the slugging Cincinnati Redlegs swept both ends of a doubleheader from Brooklyn Sunday, winning 10-6 and 2-1, to climb past the Dodgers into second place in the eight National League pennant race.

Catcher Ed Bailey slugged a trio of four-baggers in the first game, driving in six runs. Rookie outfielders Frank Robinson smashed his 16th homer and Bob Thurman hit another for the nightcap victory.

Joe Nuxhall, the last lefthander to go the route against the Dodgers and win at Ebbets Field, did it again Sunday in the second game, limiting Brooklyn to three hits for his fifth victory against six losses. Nuxhall last beat the Dodgers at Ebbets Field Sept. 16, 1954.

Clem Labine, Brooklyn's ace relief pitcher, suffered the defeat, his second against six victories. Labine succeeded starter Don Drysdale to start the eighth inning and, after retiring Ted Kluszewski, was rapped for a home run by Robinson to break a 1-1 tie.

Chisox Cut Yanks Lead To 1 Game

. . . Doby Homers Twice

CHICAGO (AP)—Larry Doby slammed carbon-copy, three-run homers in the first inning of each game Sunday to send the second-place Chicago White Sox winging to a double victory over the New York Yankees, 14-2 and 6-3, and pull them within one game of the league leaders.

The double triumph gave the Sox a sweep of the four-game series with the Yankees and stretched their winning streak to eight, longest of the year in the American League. Billy Pierce went the route in the opener to gain his 11th victory of the year.

The Sox slammed four home runs for the day, the others being a two-run blast by Sherman Lollar in the opener and a solo drive by Minnie Minoso in the nightcap.

The Yankees failed to hit a homer in the series. Mickey Mantle, however, remained 14 games ahead of Babe Ruth's record year with 27 for the season.

Dukes Dump Hawks Twice

ALBUQUERQUE (AP)—Right hander Dick Drilling, settling down after a shaky three run first inning, hurled a neat three-hit 7-3 win over Topeka in the nightcap of a twin bill to hand Albuquerque a sweep over the league leading Hawks. The Dukes captured the opener 12 to 5.

It was the initial time this year that Topeka had lost a bargain bill. The double defeat cut the leaders lead over runner-up Lincoln to a game and a half.

$100 Collected At Gilbert Shoot

An estimated $100 was collected at Pioneers Park at the Paul Gilbert Memorial Shoot, an official of the Prairie Bowmen said Sunday.

The Prairie Bowmen sponsored the shoot to establish a memorial scholarship fund in honor of Paul Gilbert, late secretary of the Nebraska Game and Wildlife Commission, who died this spring.

Event winners:

Men's Division—Won by Jack Kendall, Lincoln. 2—Bob Dukes, Nebraska City; 3—Lee Senton, Nebraska City.
Women's Division—Won by Allene Whitson, Lincoln; 2—Virginia Lima, Nebraska City; 3—Ruth Ellis, Lincoln.
Boy's Junior Division—Won by Kenneth Kendall, Lincoln; 2—Ronald Drian, Neely; 3—Howard Rickel, Neely.
Girl's Junior Division—Won by Gloria Hathaway, Lincoln.

Unterseher Gets Share Of Open Doubles Crown

Lincoln Star Special

WINFIELD, Kan. — Neil Unterseher of Lincoln teamed with Mike Redpath of Kansas City, Mo. to win the junior boys doubles championship in the Kansas State Open tennis tournament here Sunday.

Unterseher and Redpath beat Dale Jones and Warren Zimmerman of Amarillo, 9-7, 6-2. They trailed 5-4 in the first set but rallied to win and then dominated play in the second set.

The Unterseher-Redpath combination beat John Agnos of Junction City, Kan. and Lynn Fry of Topeka, Kan., 6-3, 6-4.

Finn Tops Javelin Record By 6 Feet

HELSINKI, Finland (AP) — Finland's Soini Nikkinen bettered the world javelin record Sunday with a throw of 274 feet, 1.83 inches.

The established record is 268-2½ by Franklin (Bud) Held of San Francisco, who set the mark May 21, 1955, at Modesto, Calif.

Nikkinen, who was eighth in the 1952 Olympic Games javelin event, made his gigantic heave in a meet at Kuhmois in Central Finland.

GAMES MONDAY

East Division

1 p.m.—Havelock vs. College View at Uni Place; Peter Pan vs. Randolph at Peter Pan.

West Division

1 p.m.—Muny vs. Irving at Muny.

Cards, Phils Split

PHILADELPHIA (AP) — Pinch-hitter Frank Baumholtz' ninth-inning single scored Elmer Valo and gave the Philadelphia Phillies a 3-2 nightcap victory at Connie Mack Staudium Sunday after the St. Louis Cardinals took the first game of the doubleheader 8-4 on the home run power of Ken Boyer.

Batting for Roy Smalley, Baumholtz drove his single past first base scoring Valo, who had tripled. Willie Jones and Andy Seminick also were on base, having walked, but Valo's score was all that was needed.

The first game was all Boyer. He hit two home runs, his 16th and 17th, and tripled home Stan Musial. Alvin Dark also homered for the Cards as they ended a four-game Philadelphia winning streak.

The Phillies had a 2-0 lead in the third inning of the second game when Smalley doubled, Richie Ashburn hit a three-bagger and Ted Kazanski singled.

Chiefs Set Home Run Record In 20-8 Victory Over Amarillo

AMARILLO (AP)—The Lincoln Chiefs broke a Western League home run record here Sunday, big Dick Stuart getting three, as they pounded the Amarillo Gold Sox, 20-8, before 978 fans.

Stuart, with not half the season completed, paces the Western League with 37 home runs.

The loop record is 44.

The victory, which went to Bennie Daniels, gave the Chiefs the series, two games to one.

Lincoln blasted eight home runs in the game to establish a new league record for most home runs in a single game by a team. The previous high was seven held jointly by Lincoln and Topeka.

Hitting the round-trippers were Stuart (3), Daniels, John McDevitt, Reggie Grenald, Ken Toothman and Bill Jackson. Bill Shields hit one homer for Amarillo to make it a total of nine for the game.

In six games played in Gold Sox field, Stuart has hit 11 homers. He hit five in the first three-game series and then hit six in the three-game set just completed. In all this season the husky Lincoln outfielder has hit 13 homers against Amarillo pitching.

The Chiefs picked up three runs in the first, one each in the third and fourth and three in the fifth.

The Chiefs got seven runs in the sixth on five walks and five hits. They added four in the eighth on three homers and one in the ninth on Stuart's third homer of the game.

Five Lincoln hitters had three or more hits in the game. However, Howie Goss, Lincoln centerfielder, failed to get a hit and tied the Western League record by striking out four times in the game.

STUART . . . Big rightfielder smashes three home runs.

Two Amarillo batters, Bill Shields and Chico Heron, had four hits each in five swings. The Gold Sox had 13 hits.

Manager Chuck Stevens of Amarillo was injured in the fourth inning of the game when he was hit on top of the head by a ball thrown by Lincoln shortstop Al Stringer.

Stevens had opened Amarillo's fourth with a single. Shields hit a grounder to second, Stevens was forced and when Stringer tried to throw to first to complete a double-play, his relay hit Stevens on the head. Stevens left the field, but it was reported he suffered no serious injury.

The game was played under protest from the top of the fourth.

Stuart, with men on second and third, tried to cross up the Sox' plans to intentionally walk him. He stepped across the plate and bunted the ball. He was called out for being out of the batter's box by plate Umpire Dan O'Toole. The Sox picked up the ball and trapped Sam Miley off third. However, O'Toole ruled the ball dead and the runners were allowed to return to their bases. It was then that Stevens filed the protest.

In winning Daniels, scoring his second success over Amarillo, chalked up his sixth victory without a loss. He was relieved in the ninth by Bill Nordberg. Amarillo tried five pitchers and Ernie Funk was the loser.

The Chiefs move to Albuquerque Monday night to open a series. Don Rowe (7-2) is scheduled to pitch for Lincoln.

Orioles Whip Tigers Twice

DETROIT (AP) — The Baltimore Orioles whipped the Detroit Tigers twice Sunday by identical scores of 3-2, dealing the Tigers their seventh and eighth consecutive defeats in the club's worst losing streak since 1953.

Billy Loes and Ray Moore were the winners, although both needed relief in the late innings. For Loes, the eccentric righthander obtained from Brooklyn, it was his first American League decision.

The pair of one-run losses made it seven times the Tigers have lost to the Orioles by that margin this season.

Moore won his sixth game against five losses in the second contest, holding the Tigers hitless for the first five innings.

Woman Racing Driver Killed

AZTEC, N.M. (AP) — A woman racing driver crashed to her death here Sunday afternoon in a friend's car which she had taken out for a trial spin.

San Juan County Sheriff Jim Brimhall said Mrs. Joann MacGuarrie, about 25, of Durango, Colo., borrowed a racer from a friend after the American Legion auto races here Sunday. The vehicle went out of control, plunged down an eight-foot embankment and turned end over end, Brimhall said. Mrs. MacGuarrie was killed instantly.

Her husband, also a professional racing driver, was standing by the track watching his wife when the accident occured. The couple had three small children.

Stanky New Giant Pilot?

NEW YORK (INS)—Sportscaster Harry Wismer said on his "General Sports Time" radio program Sunday night he has been reliably informed that Eddie Stanky will replace Bill Rigney as manager of the New York Giants "within two weeks."

Stanky, former St. Louis Cardinal pilot and a Giant player in 1950 and 1951, now is managing the Giants' Minneapolis farm club in the American Association.

Wismer said the Giants, now in last place in the National League, will make the managerial change in an attempt to stir up apathetic fan interest. Rigney replaced Leo Durocher as manager of the Giants at the end of last season.

NEW-NEW-NEW WEE-WILLIE

IT SWIMS! Pat. Pending Actual size 2½" GUARANTEED TO CATCH FISH

WEE-WILLIE IS BRAND NEW—1956 INTRODUCTION

After many years of testing, here is a lure that looks and acts so much like a live minnow, that even minnows follow it around. Any fish that will eat a live minnow will strike at WEE WILLIE.

Forget about buying live bait! WEE WILLIE can be used for spinning, casting, plugging, trolling—or with a cane pole. You can fish as deep as you like with WEE WILLIE, and it's also the best top water lure ever made by anyone. This lure is small enough for the small ones—strong enough for the large ones.

Scientifically designed WEE WILLIE keeps a natural horizontal balance—and it SWIMS! Does not use fuel or have springs—will last for years. Sold on a "satisfaction guaranteed" basis—catch fish or your money refunded. WEE WILLIE is not a gadget.

Made of strong plastic in 6 beautiful colors—silver blue silver, black gold silver red, gold and yellow silver. WEE WILLIE is sold by mail only—so buy now for yourself and your friends. Send only $1.50 for each lure—send cash check money order or 3c stamps. We pay postage. C.O.D. orders okay.

Be the first in your city to try this great, new lure. Clip this ad now! It may not be in your paper again this year. Pick up extra cash selling WEE WILLIE—30% discount by the dozen or more. Clip ad and mail to— STAR BAIT CO., LARGO, FLORIDA

LUCKY YOU!

70th & Havelock Ave. (Havelock) — Myron Wright
1300 No. Cotner (Bethany) — Harlan Low

Stations also in Adams, Crete, Fairmont, Pawnee City and Greenwood.

Braves Stretch Lead In NL With Double Victory

NEW YORK (AP)—The high-flying Milwaukee Braves, getting superb pitching from right-handers Lew Burdette and Gene Conley, gobbled up both ends of their doubleheader with the hapless New York Giants Sunday, 6-2 and 7-1, to stretch their winning streak to 10 straight and increase their first-place margin to two games.

Burdette handcuffed the Giants with four hits in the opener as he chalked up his seventh victory against three defeats. Conley, apparently completely recovered from his sore arm condition, yielded only four of the Giants' seven hits before retiring in favor of Dave Jolly with one out in the seventh inning of the nightcap. The 6-8 righthander picked up his third win against three losses.

Milwaukee Manager Fred Haney, who has yet to see his Braves lose a game after replacing Charlie Grimm at the helm, decided not to let Conley resume pitching after rain had halted the game for 20 minutes.

The Giants' lone run in the nightcap came off Jolly on Dusty Rhodes' third home run leading off the last of the eighth. New York's runs in the opener also came as the result of a home run when Willie Mays banged his 10th of the season with a mate aboard in the first.

Pirates Get Break; Nudge Cubs To End Losing String

PITTSBURGH (AP) — The Pittsburgh Pirates needed—and got—an assist from the weatherman Sunday to break their losing streak at eight games in a row by topping the Chicago Cubs 1-0 in a game called on account of rain.

The rains came with two out in the Cub half of the sixth inning in the second game of a doubleheader. The Cubs had won the opener 5-3 before 17,066.

State Legion Tournament To Columbus

Columbus was awarded the Class A state American Legion junior and midget baseball tournaments for 1956, State Activities Director Warren Baker announced Sunday.

The double elimination tournaments will begin Aug. 5. Last year the state tournament was held at Grand Island, where the Lincoln Optimists won the title in three games.

Sites and dates for the four Class A area tournaments and Class B state, area and district tournaments were also announced.

Class A district play will begin the week of July 22, after which teams will move into area tournament play. Optimists will oppose York in a two-out-of-three district playoff.

The Class A area tournaments will be held the week of July 29 at Omaha, Central City, Hastings and Scottsbluff.

Wymore will be the site of the Class B state tournament starting Aug. 12. Class B districts start July 29, with area tournaments scheduled for Tekamah, Humphrey, Geneva and Grant the week of Aug. 5.

Winner of the state Class A championship will compete in a four-state regional tournament, to be held at York this year. The regional winner goes to the sectional tourney at Billings, Montana. The sectional winner will compete with three other teams in the nationals at Bismarck, N.D.

The first preakness was run May 27, 1873 at Pimlico race track in Baltimore.

Par Tough On Lincoln Golfers; Elliott Has 69

Par was elusive for Lincoln golfers last week.

While several low scores were reported, only one golfer cracked par. Pete Elliott, NU football coach, shot a three-under 69 while qualifying for the Lincoln Country Club championship tournament to win medal honors.

At LINCOLN COUNTRY CLUB Don Pegler Jr. and Charles Boswell had 76s. Others were 77s by Frank Roberts and Harry Meginnis, 78s by Jerry Bush, Vaulx Risser, Jim Swanson and Mart Lange, and 79s by Wally DeBrown and Dick Russell.

Qualifying for the club championship tournament ended Sunday with Elliott as medalist. Steve Flansburg has won the title two years in a row.

Frank Roberts and Charles Boswell shared sweepstakes honors with net 65s. Wally DeBrown, Mart Lange and Shorty Jenkins had 67s.

At HILLCREST COUNTRY CLUB Dale Wisbey and Gene Chadwell shot 72s. Chadwell and Stan Stroh had 73s, and Stroh and Emil Frank turned in 74s.

Others were 75s by Mickey McCuistion, Dr. F. A. Pierson and Dick Gillen, 76s by Tom Harrison, Hank Strauch, Don Albin and Dick Spomer, 77s by Capt. George Meade, Gil Dietemeyer and Jack McCuistion, 78s by Hal Bowers, John Herrod and Waldo Winter, and 79s by Bob McVicker and Bill Jennings.

Saturday sweepstakes honors went to Bob McVicker with a net 63. Dr. F. A. Pierson Jr. had a 66, Waldo Winter and Dick Gillen 67s and Bob Perry a 68. McVicker and Wisbey shared the Sunday sweepstakes with 69s. Clyde Cessna had a 69 and Chadwell and Tom Harrison scored with 70s.

A Carnival Stag will be held Wednesday at Hillcrest.

At PIONEERS Tom Romolo and John Wagner set the pace with 73s. Earl Cawthorne Jr. and Joe Gifford had 75s, Al Giesick a 77 and George Peck a 79. Dick Flynn scored an eagle on No. 17.

Mixed foursomes featured Pioneers play. Winners:

MEN

Low gross—Gary Gruenemeier; closest to pin, No. 4—Rex Portsche, least putts—Dar Blazek; most of a kind—Carl Botsford; least shots tee to green—Lloyd Mills.

WOMEN

Low gross—Martha Couchran; long drive—Janet Botsford; least putts—Selma Merriam; most of a kind—Eileen Mills; least shots tee to green—Carol Portsche.

A meeting of the Pioneers Women's Association will be held Thursday at 8:30 a.m. in the golf shop.

Sime, Held Will Compete In L.A. Trials

BAKERSFIELD, Calif. (AP) — Sprint star Dave Sime of Duke and Franklin (Bud) Held of javelin renown, Sunday were given a chance to compete in the Olympic tryouts in Los Angeles this week in an unprecedented move by the U.S. Olympic Committee.

Sime was granted permission to try out for a place in the 200 meters. He had already qualified to try for one of the three Olympic team places in the 100-meter dash. He failed to qualify in the 200-meter when he dropped out of the race with a groin injury in the National Collegiate championships eight days ago.

Held, the recognized holder of the world javelin record which was bettered Sunday by Finland's Soni Nikkinen, failed to qualify in the event in the national AAU meet which ended here Saturday night.

The committee felt both Sime and Held, in view of their injuries —Held had been hampered all spring by ailments—should be afforded a chance in the tryout.

It was believed addition of the two to the tryouts was the first time such action has been taken since the tryout program was initiated in this country in 1932.

Thus Uncle Sam's Olympic track and field team began to take shape as the athletes quit the scene of the AAU competition and headed for Los Angeles.

This is a bright band of performers. There are the seasoned men of Olympic competition—Parry O'Brien, Bob Richards, Horace Ashenfelter, Jack Davis.

And there are the younger aspirants for Olympic fame—Bobby Morrow, Arnie Sowell, Lou Jones, Ken Bantum. These are among the athletes qualifying in the last two weeks as they went through a series of tough eliminations.

AAU Winners

BAKERSFIELD, Calif. (AP)—Here are the 1956 national AAU track and field champions:

100-Meter Dash—Bobby Morrow, Abilene Christian College, :10.2.
200-Meter Dash—Thane Baker, Air Force, :20.6.
400-Meter Dash—Tom Courtney, Army, :45.8.
800-Meter Run—Arnie Sowell, Pittsburgh, 1:47.6.
1,500-Meter Run—Jerome Walters, Los Angeles Striders, 3:48.4.
5,000-Meter Run—Dick Hart, unattached, 14:47.4.
10,000-Meter Run—Max Truex, Southern California, 30:52.
3,000-Meter Steeplechase—Horace Ashenfelter, New York A.C., 9:04.1.
110-Meter High Hurdles—Lee Calhoun, North Carolina, College, :13.6.
200-Meter Hurdles—Charley Pratt, Army, :22.8.
400-Meter Hurdles—Glen Davis, Ohio State, :50.9.
Shot Put—Ken Bantum, New York Pioneer Club, 59-1¼.
Hammer Throw—Harold Connolly, Boston A.A., 205-10½.
Pole Vault—Bob Richards, Los Angeles A.C., 15 feet.
Discus Throw—Ron Drummond, Los Angeles A.C., 180-3.
Javelin Throw—Cy Young, Olympic Club, San Francisco, 247-11½.
56-Pound Weight Throw—Bob Backus, New York A.C., 43-4.
Hop, Step, Jump—Willie Hollie, Army, 49-6.
High Jump—Charlie Dumas, Compton, Calif., Junior College, 6-10.
Broad Jump—Ernie Shelby, Pierce, Calif., Junior College, 26-1¼.
3,000-Meter Walk—Henry Laskau, New York YMHA, 13:39.

Hopp Wins Third Sand Greens Title

HASTINGS (AP) — Wally Hopp of Hastings fired a 62 and a 68 Sunday to go with his 66 Saturday to win the Nebraska Sand Greens golf tournament for the third time.

Hopp's 197 total was 19 under par for the 54 holes. Hopp had won the title previously in 1952 and 1956 and with the third victory retired the trophy given by the Nebraska State Golf Assn.

Byron Adams of Fairbury, a four-time winner, placed second with 205 total on rounds of 69-68-68. Jim Hansen of Grand Island was third at 67-68-74—209. Tied for fourth at 210 was Mike Melneck of Hastings, 72-71-67, and J. B. Ferguson of Burwell, 71-71-68.

Ferguson scored a birdie on the seventh hole of a playoff to nudge Melneck into fifth place.

Melneck set a course record on the final nine of the tournament with a six-under-par 30.

Winners of other flights, played 36 holes, were Dick Stephens of Grand Island, 149, first flight; Tom Waggoner of Holdrege, 160, second; Vern Magnuson of Hastings, 166, third; Wes Ireland, Benkelman, 176, fourth, and Al Myers, Hastings, 179, fifth.

Hagge Captures Ladies' PGA Title

DETROIT (AP) — Marlene Bauer Hagge won the Ladies Professional Golf Assn. championship Sunday in a sudden-death playoff with Patty Berg.

A 291 tie over the regulation 72 holes of medal play forced the playoff, which ended on the first overtime hole. Tied going into Sunday's final round, each had a 76 in the final 18 holes over the Forest Lake Country Club course.

Mrs. Hagge, of Asheville, N. C., won with a par 5 on the first extra hole. Miss Berg, a veteran from St. Andrews, Ill., missed a 7-foot putt for a bogey 6. It was blonde, 22-year-old Mrs. Hagge's third major tournament victory in a row.

Simpson Clouts Long Homer As A's Trim Red Sox, 5-2

KANSAS CITY (AP)—A two-run triple and a homer by Harry Simpson and a homer by Vic Power paced the Kansas City Athletics to a 5-2 victory over the Boston Red Sox Sunday. Power also had a run-scoring single for his 26th RBI.

Simpson's homer cleared both the inner and outer walls in right field, a feat previously accomplished only by Larry Doby of Cleveland and Mickey Mantle of the New York Yankees.

Sisler gave up all the Kansas City runs and eight hits. The loss was his third against three victories.

Little Men Defend Titles; Bahama, Turner To Mix

By JACK HAND
The Associated Press

Flyweight champion Pascual Perez of Argentina and bantamweight king Robert Cohen of France defend their crowns this week in Uruguay and Italy.

Perez meets Oscar Suarez of Havana at Montevideo, Uruguay, Saturday, the first championship fight ever held in that city. If Perez wins, he must defend against Mexico's Memo Diez by Sept. 30 or forfeit his title under a ruling of the National Boxing Assn.

Cohen risks his championship against Mario D'Agata, Italy's deaf mute puncher Friday at Rome where promoters expect a crowd of 30,000 for the city's first world title scrap since the days of Primo Carnera and Paolino Uzcudin in 1933.

Cohen Beat D'Agata

In a non-title match at Tunis two years ago, Cohen beat D'Agata on a hotly disputed decision. It was one of the two defeats in D'Agata's 52-bout career.

It will be Cohen's first start since he broke his jaw in an auto accident. D'Agata also had a close call 20 months ago when his partner in a laundry business shot him in the stomach after a dispute.

In the United States, within reach of the television cameras, the usual "studio" programs will be held

Carmelo Costa, fourth - ranked featherweight contender, takes on Ike Chestnut Wednesday at Washington's Uline Stadium. It will be the first away-from-home start for Costa, a 22-year-old Brooklyn boy.

Main Eventer

Costa won a decision over Chestnut Feb. 16, 1954. Chestnut recently graduated into the main event class with a 20-5-3 record. Costa's record is 29-3-4.

Yama Bahama, the classy lefthooker from the isle of Bimini in the Bahama Islands, boxes experienced Gil Turner of Philadelphia in the Friday bout at Madison Square Garden.

Bahama has won 22 straight, whipping Hardy Smallwood at Syracuse, N.Y., May 11 in his latest start. The newcomer has a 39-42 record. Turner, 25, owns a 50-12-1 record.

The Monday show from St. Nicholas Arena in New York brings in a new face in Jake Josado of Philadelphia, a lightweight, against Ludwig Lightburn of British Honduras, who has won two of three this year. Josado, a knockout winner over Arthur Persley in December, has won six in a row.

Trans-Mississippi Title Won By Coe

OKLAHOMA CITY (AP) — Methodical Charlie Coe, the 1949 National Amateur champion played his home course in solid fashion Sunday and beat 21-year-old Ronnie Wenzler of Memphis, Tenn., 11 and 9, in the 36-hole final of the Trans-Mississippi golf tournament.

Coe carded eight birdies over the 6,852-yard Oklahoma City Golf and Country Club course to annex his fourth championship in this 53-year-old tournament. Par is 35-36—71.

Holdrege Helped

CHICAGO (AP) — The Chicago White Sox Sunday announced the signing of Alan Koch of South Gate, Calif., to a contract with their affiliate at Holdrege, Neb., in the Class D Nebraska State League.

Koch, a shortstop who bats and throws righthanded, is 17. He was All-City shortstop at South Gate and batted .350 in his senior year after a .475 season as a junior.

Burke Medalist In Park Valley Open Tourney

Jim Burke fired a one-under-par 65 to become medalist in the Park Valley Open golf tournament as qualifying ended Sunday.

Burke's 65 was one stroke better than even-par rounds by Paul Austin and Warren Christenson.

First matches in the tournament must be completed by Sunday, July 1. One match will be played each week thereafter.

Pairings and qualifying scores:

Championship Flight

Jim Burke (65) vs Walt Johnston (68), Paul Austin (66) vs Jim Owens (69), Warren Christenson (66) vs Phil Breitfelder (71), Lew Sheary (67) vs Dale Harnish (73).

First Flight

Gary Wuster (73) vs. Don Wilson (75), Dick Brandt (74) vs Charles Ness (75), Marvin Spomer (77) vs ReVoe Hill (76), Maro Sellars (75) vs Jay Schall (76).

Second Flight

Allen Beyer (76) vs Dave Bauer (79), Ralph Hall (78) vs A J Breitfelder (80), Jim Haberlan (78) vs. Boo Mahoney (80), Walley Barnett Jr (79) vs Bud Graff (81)

Third Flight

W R Lien (81) vs Ed Johnson (82), Adam Mueller (82) vs Ben Husbands (82), Larr Rakow (82) vs. C. D. Mulligan (82), R G. Burdsal (82) vs Joe Schroer (82)

Fourth Flight

Steve Brehm (83) vs Cecil Johnson (84); Alan Peterson (83) vs. John Reis (84); Bill Stoekfeld (83) vs Elmer Redling (84), Milton Wuster (82) vs. W. B. Lawson (84).

Fifth Flight

Don Barry (84) vs. Marvin Shaul (86); Bud Imlay (84) vs Russell Peter (86), Jere Carey (85) vs. Les Goldman (85), Darrell Minchow (85) vs. Don Novotny (86).

Sixth Flight

Eldon Hutchinson vs. Kenneth Darby; Lynn Knickerbocker vs. Gordon Jacobson; Flood Adams vs. E. C. Hansen, Bill Davidson vs. Robert Morgan.

Seventh Flight

Gary Sheldon vs Bob Shields; Lyle Smith vs. Bryon Johnson, M D. Bush vs Roger McKenzie, Dick Buckley drew a bye.

Eighth Flight

Bruce Lightner vs. Jerry Rohren; Chuck Renter vs Joe Hyland, Tommy Ness vs Paul Vercio; Charles Jackson drew a bye.

Ninth Flight

E. Heinrich vs. Orin Lightner, Erwin Runk vs Clifford DeBoer, Robert Harrington and Wallace Schultz drew byes.

Tenth Flight

Clark Merritt vs John E. Baker; Jerry Schrept, ReVoe Hill Jr. and John Delos Jr. drew byes

Welch To Face Central City 9

Dick Welch (2-0) will pitch for the Lincoln Optimists tonight as they attempt to erase the only blot on their record in a game with Central City at Sherman Field. Game time is 8 p m.

Central City won a 6-4 decision from the Optimists earlier. The Lincoln club has a 5-1 record.

Stromsburg Battery Stars Sparks 9-0 Victory

STROMSBURG—Max Quick and Bob Rine, pitcher and catcher for Stromsburg, sparked their team to a 9-0 victory over Crete Sunday night.

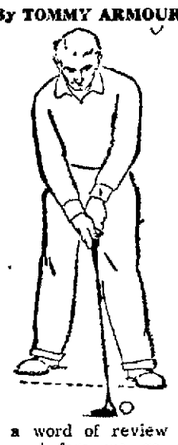

Quick hit two home runs and Rine added a bases-loaded roundtripper.

KNOW YOUR GOLF

By TOMMY ARMOUR

Just a word of review about the drive before we go on to study the other shots. Be sure to tee the ball high enough, and play it in line with your left heel. Use a closed stance with the right foot back a bit from the line of flight. Let your weight be a bit heavier on the right foot at address, and be sure that your right shoulder is lower than your left. Left arm extended, but not rigid; right elbow hanging comfortably close to the body. Check your grip; feel the club in your fingers—not in your palms. Throw the club head (not your body) at the ball, and—keep your head steady!

Sky Sox Down Sioux City Twice, 14-7, 3-2

COLORADO SPRINGS (AP)—Colorado Springs pushed across an unearned run in the bottom of the eighth of the second game of a Western League doubleheader here Saturday to post a 3-2 victory over Sioux City after the Sky Sox also won the opener 14-7.

4,000 View New 'Adjustment Center' At Prison

By ROY CAMPBELL
Star Staff Writer

Citizens turned out en masse Sunday to glimpse, probably for the only time, the new and ready-to-be-used adjustment center at the State Penitentiary.

Warden Joseph Bovey, on hand in the welcoming line, estimated close to 4,000 people, mostly made up of families, took the tour through the new building. Two more days of open house will follow on Monday and Tuesday with the same time of 2 p m. to 7:30 p m.

The adjustment center, under a new terminology distinguishing it form "solitary" and the "hole," applied to the older structure, will go into use immediately.

Housing 36 cells, four of them minus the standard tile slab and toilet facilities along with wash stand, the adjustment center will be used to house unruly inmates and prisoners termed disciplinary problems.

The center was completed last week and was opened to the public view at the recommendation of Gov. Victor Anderson who said in a press interview he wanted the public to see the progress that had been made at the institution.

Sunday was a "normal" day for prisoners even if it was unusual, in a viewing respect, for the curious public.

Warden Bovey said the inmates were completing a softball game about 6 p.m., just about the time the evening viewing traffic was beginning to pick up.

The official crowd was estimated in the area of 4,000 by Warden Bovey and Rev. Robert Rudell, associate warden.

Most of the visitors were made up of family groups, including many children, and one visitor timed his trip in 14 minutes, the warden reported.

Traffic flowed freely around the southeast corner of the institution toward the entrance through the south wall of the Pen. The warden said eight inmates, all trustees, helped direct traffic around the dairy section of the institution.

Some 20 to 25 guards and personnel at the Pen aided in welcoming guests to the building.

The warden said reaction to the building appeared good, with many comments noting the improvement in the buildings. The cost of the adjustment center was in the general area of $140,000 with about $2,000 contributed by inmates who put up the fencing around the center.

Traffic on the U.S. 77 cutoff to the wall was handled Sunday by the Safety Patrol with no unusual events occurring.

St. Paul's E&R Church Mortgage Burned At Service

Members of the Church Council officially burned the $35,000 mortgage for the educational unit of St. Paul's Evangelical and Reformed Church Sunday.

Kenneth Heiliger, president of the council, was in charge of the ceremony at the congregation's anniversary worship service.

Al Brown and Ed Birkmann, former members of the council also participated in the service.

The educational unit was completed in 1953.

The Rev. Arthur Crisp is pastor of the church.

Mrs. Lillie Ibser Services Monday

Funeral services for Mrs. Lillie Ibser, 64, of 2838 No. 54th, who died Saturday, will be held 11 a m. Monday at Wadlows Mortuary. The Rev. Charles Hankins of Fairmont will officiate.

Born in Prague, Czechoslovakia, Mrs. Ibser came to Lincoln 29 years ago.

She was a member of the Methodist Church.

Surviving are her daughters, Mrs. Lillian Asmus of Boulder, Colo., Mrs. Ruth Johnston of Lincoln, Mrs. Rose Irey of Salem, Ore., and Mrs. Gertrude Bachenberg of Omaha; sons, Henry of Detroit and Homer of Natchitoches, La.; and seven grandchildren.

Viewing New Solitary Building

Associate Warden Robert Rudell, serving as guide, shows a group of visitors one of the solitary confinement cells of the new adjustment center at the State Penitentiary, during the first day of the open house. Viewing the double door arrangement are (from left) Mrs. Edwin Crocker, Sgt. Paul Shelton, Mrs. Robert Kees, Edwin Crocker and Chaplain Robert Kees. (Star Photo.)

Nebraskan Returns From Iraq Project

James A. Clark Jr. of Lincoln has returned to the United States on home leave after serving as a sanitarian in the International Cooperation Administration's technical program in Iraq for the past two years.

Clark

Clark, who was with the Nebraska State Health Department in Lincoln for three years prior to joining the ICA, graduated from Kearney State College and attended the University of Nebraska.

Mrs. Clark and their daughters, Connie, 5, and Donna, 1, accompanied him to the States.

While in Iraq, Clark worked in the Village Life Improvement program, which is designed to raise the living standards of the villagers.

He assisted in putting into operation the buildings and plants of the first village workers training center, developed a curriculum for health and sanitation and developed tools for sanitation activities.

While in the U.S., Clark will attend a 10-day consultation at the Robert Taft Sanitary Engineer Institute in Cincinnati, O., to study the latest developments in rural sanitation.

Following a visit to Nebraska, Clark plans to return to Iraq to continue his work with ICA.

Base Chief Says Airline Flights Complicating

Lincoln Air Force Base Commanding Officer Col. William Gillespie said present commercial airline flights have "significantly complicated" aircraft arrivals and departures at the base and added any additional flights would "obviously contribute to even greater saturation."

Lincoln civic and business leaders have been seeking additional airline service for Lincoln and Nebraska. A Civil Aeronautics Board examiner will conduct a hearing on the matter July 17th in Omaha.

Bishop Watts Assignment Up For Review

The South Central Jurisdictional conference of the Methodist Church will be held in New Orleans, La., June 28-July 2. The area includes six Southern states and Kansas, Nebraska and Missouri.

Bishop H. Bascom Watts of Lincoln is one of six active bishops in the jurisdiction subject to reassignment for the next four-year period. The Nebraska Conference has unanimously requested the conference to return Bishop Watts to Nebraska.

Chief item of business at the conference will be the election of a new bishop to fill a vacancy created by the retirement of Bishop Ivan Lee Holt of St. Louis, head of the Missouri area.

Nebraska ministerial delegates to the conference include the Rev. Laurence R. Davis, Dr. Frank A. Court and the Rev. Sidney L. McCaig, all of Lincoln; the Rev. James S. Chubb of Grand Island, the Rev. C. Edwin Murruphy of Lexington, the Rev. Richard E. Carlyon of Scottsbluff, the Rev. Everett E. Jackman of North Platte, the Rev. Lowell D. Jones of Chappell and the Rev. Alva H. Clark and Dr. E. Wesley Perry, both of Omaha.

Lay delegates to the conference will be Niles H. Barnard and Henry M. Cox, both of Lincoln, Harvey A. Tompkins of Inman, Mrs. W. Max Gentry of Gering, Wade Stevens of McCook, Earle W. Wiltse of Grand Island, Albert J. Ebers of Seward, Mrs. Wayne Harrington of York, Wilbert K. Flaming of Elsie and Mrs. Charles W. Mead of Omaha.

State Employe Garnishment Policy Studied

Establishment of a policy for dealing with state employes who become involved in garnishment proceedings will be studied by a new committee.

Gov. Victor Anderson says he plans to appoint the committee to study possible policies.

Under a garnishment, the money to pay a creditor is deducted from an employe's paycheck.

The state auditor's office has been receiving six or seven summons in garnishment a month, and although the total is small in relation to the number of state employes, "It's troublesome and causing some expense," the governor said.

The governor pointed out that some industries discharge any employe who become involved in two garnishment actions within a year.

The committee will study policies followed in other cases.

The committee will also study the problem of state employes who fail to pay personal taxes. One county sheriff holds distress warrents for non-payment of taxes on some 30 employes at one state institution, Anderson reported.

Lincoln City Libraries
LINCOLN 8, NEBRASKA
June 24, 1956.

Dear Mr. & Mrs. Citizen:

The average young couple in Lincoln just buying a new home and starting a family has a big stake in the proposed new library. At first glance it would appear to be just an increase in cost but actually it is one of the best investments of $1.91 (the annual cost to the average taxpayer) that can be made.

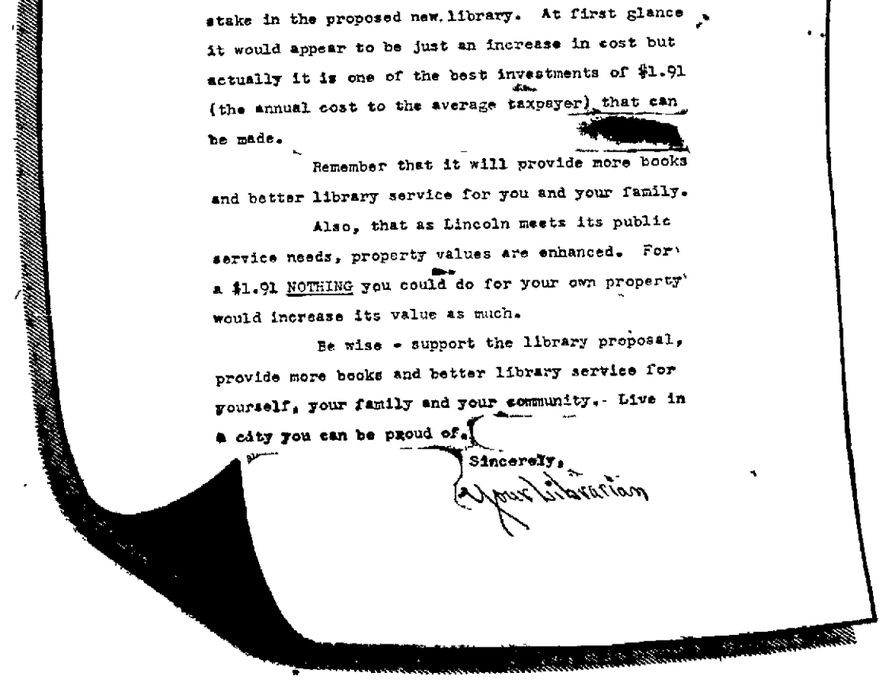

Remember that it will provide more books and better library service for you and your family.

Also, that as Lincoln meets its public service needs, property values are enhanced. For a $1.91 NOTHING you could do for your own property would increase its value as much.

Be wise - support the library proposal, provide more books and better library service for yourself, your family and your community. Live in a city you can be proud of.

Sincerely,
Your Librarian

Senate May Decide AF Cudget Today

WASHINGTON (AP)—A Senate decision on the politically charged question of boosting the Air Force budget may come Monday, if members hold off on political speechmaking.

It seemed apparent, however, that some senators would find it difficult to resist expanding on the Air Force controversy, even though it eased a bit yesterday after Secretary of Defense Wilson said he had not meant to say Senate maneuvering to raise the Air Force budget was "phony."

The Senate Appropriations Committee has voted to give the Air Force $1,160,000,000 more than Wilson asked. An alternative proposal, by Sen. Bridges (R-NH), would provide half a billion dollars extra.

Inadequate

Wilson contends that the administration's original request for some $15,600,000,000 for the Air Force is entirely adequate.

Sen. Chavez (D-NM), floor manager for the 35-billion-dollar defense money bill, says he expects the Senate to approve the larger amount by six to ten votes.

The fund fight centers on the Air Force. There is no indication efforts will be made to change the budget allotments for the Army or Navy.

Wilson told newsmen his use of the word "phony" at a Thursday news conference was not meant to apply to what was going on in the Senate.

Called It 'Slur'

Bridges, top Republican on the Senate Armed Services Committee, had said Wilson was guilty of "an unwarranted slur" on the Senate.

Wilson said, "I did not intend it that way."

Chavez expressed a belief that the controversy over Wilson's remarks would be forgotten by Monday. Sen. Sparkman (D-Ala) said: "My feeling is that the senators will do what they think ought to be done regardless of what Mr. Wilson said."

Long Speeches

Some senators were planning to have their own say on the matter, and that could delay a final vote. Sen. Robertson (D-Va) prepared a 35-page speech for the debate and Sen. Jackson (D-Wash), a frequent critic of administration defense policies, also planned a long one.

President Eisenhower has been kept abreast of the fight. The White House denied, however, that it had pressured Wilson into modifying his Thursday remarks.

James C. Hagerty, White House press secretary, also reported he could find no evidence that Senate Republican leaders had been told by the White House that the administration would "go along" with a half-billion-dollar Air Force budget increase. The New York Herald Tribune reported from Washington that Eisenhower had sent such word to the GOP leadership via Wilton B. Persons, his aide for congressional liaison.

Lincolnites Hurt Near Swedeburg

SWEDEBURG, Neb. (AP) — Three Lincoln area persons were injured Sunday night in a one-car accident on a gravel road about three miles south of Swedeburg.

Hospitalized at Wahoo were Keith A. Paulin, 19, of the Lincoln Air Force Base, long gash on the back and other cuts and bruises; Arvil R. Anderson, 22, of 224 No. 16th, Lincoln, severe scalp wounds and cuts and bruises, and Ruby Nash, 20, of 1729 K, Lincoln, facial cuts and bruises and shoulder and possible internal injuries.

Paulin was driving the car, which was owned by Anderson.

The Wahoo fire department first aid squad took the victims to the hospital.

Plan Proposes 4 Big School Districts In Lancaster County

By VIRGIL FALLOON
Star Staff Writer

Consolidation of Lancaster County's 10 high school districts and 66 elementary districts into four large school districts has been recommended by a requested University of Nebraska survey.

Preliminary findings and reorganizational plans were outlined to the Lancaster County Committee for School District Reorganization, which requested the survey, and eight high school district representatives.

The Committee, headed by Ralph E. Harland of Hickman, requested the study as an aid in developing a co-ordinated reorganization plans for the county, surplanting "piecemeal" re-districting.

Dr. Merle M. Stoneman of Teachers College headed the survey team. Oral presentation of the preliminary report was made by Dr. Leslie Chisholm.

To Be Published

The complete report with findings, recommendations, and proposed redistricting maps, will be made available soon in mimeographed form to all the school districts.

The proposed four-district plan for the county was outlined as:

Lincoln district — the present Lincoln school district with possible marginal additions. Assessed valuation, $145 million. Enrollment, 6,640 junior-senior high school students, 12,312 elementary.

Northwestern district—the Malcolm and Raymond area incorporating roughly the northwestern quadrant of the county with the possible merger of a tier of districts on the Saunders County line with a major district of that county. Valuation, $9 million. Enrollment, 210 junior-senior high, 260 elementary.

Northeastern district—incorporating the Waverly high school district and other districts in the quadrant and five neighboring Seward County districts. Valuation, $9.8 million. Enrollment, 260 junior-senior high, 475 elementary.

Southern district — Bennet, Panama, Firth, and Sprague-Martell high school districts with the possible merger of seven to 11 southwestern districts with the Crete high school district in Saline County.

Except for the Lincoln district, each new district would operate one junior-senior high school and as many elementary schools as needed, probably from two to six.

Alternate Plan

An alternate plan, which would keep all districts within the county, proposes five major districts: Lincoln and four high school districts approximating the county's four quadrants. This plan would provide for a valuation of not less than $8 million in each district and a junior-senior high school enrollment of not less than 200.

Advantages seen in the re-districting plan were:

1. Each district would provide for complete education from kindergarten through high school with better supervision and instruction. One-teacher schools would be eliminated.

2. Larger valuation totals which would lower the average mill levy. Economies would be realized from the larger administrative areas.

3. A general improvement in education at a reduced cost on the "per-pupil" average.

4. More feasible and economical operation of a school bus system.

To State Committee

A reorganization plan developed from the survey recommendations and findings by the county committee would probably be submitted eventually to the state committee on school district reorganization for approval, County Superintendent Glenn Turner said.

During this process, Turner said, suggestions and comments would be sought from all school districts, who will be "thoroughly acquainted with any reorganization proposals."

"This is just a start," Turner explained, "of a reorganizational plan for the county which may eventually be submitted to the school voters."

The University study was seen as a useful aid in future merger plans. Most rapid merger of the school districts has been since 1949, which has reduced the number from 128 to the present 76 by the petition method.

Eventually, it is believed the county will have only three or four high school districts outside of Lincoln, instead of the present 10.

WESTERN NEBRASKA MAY GET MORE RAIN

Rain is forecast Monday for parts of the Great Plains, Atlantic states, Appalachians, Ohio, Tennessee and middle Mississippi Valleys, in the eastern Gulf states to the southern Rockies, the western Lakes region and along the north Pacific coast. It will be cooler in Nebraska, the Dakotas, in New England and the Lakes region. (AP Wirephoto Map.)

CHURCHILL GREETS HIS GUEST (AP)

Truman, Churchill Lift Silent Toast To FDR

. . . A Day Of Memories

By EDDY GILMORE

WESTERHAM, England (AP)—Sir Winston Churchill and tourist Harry S. Truman had a reunion Sunday in the peaceful quiet of the English countryside.

The scene of their meeting — the first since Truman left the White House—was at Chartwell, the spacious country home of Britain's wartime leader.

Churchill, who had invited Truman and his wife to lunch, met the former American President at the wide Tudor door of his home located about 40 miles from London.

"How are you?" asked Truman as he grasped Sir Winston's hand.

I'm Getting On

"Well, I'm getting on," said Churchill, who will be 82 in November.

"You don't look a day older than Potsdam," said Truman.

"Oh, yes," replied Churchill, "I'm getting on."

Churchill then told Truman how well he looked. Truman is 72. A photographer asked them to stand together. They beamed at one another and Truman said:

Like Old Times

"This is just like old times." There was a faraway look in Churchill's eyes, and a member of his family said there were tears there too.

Churchill invited Truman into his home, which is decorated with many pictures which the former Prime Minister had painted. A butler brought up a tray of drinks. Standing before a bronze bust of the late Franklin D. Roosevelt, they both drank what appeared to be a silent toast to the man whose death sent Truman to the White House in 1945.

After luncheon, Sir Winston and Truman, both swinging walking sticks, strolled into the gardens of Chartwell. For an hour they sat beneath a tree conversing animately.

Back at his hotel later, Truman said of Churchill:

"He's as keen as a briar."

Utica Woman Hurt In Car Collision

Nadine Clayton, 26, of 2949 No. 43rd, and Mrs. Louise Clayton, 63, of Utica, suffered minor injuries in a two-car collision at 9th and B over the weekend.

The younger woman suffered a bump on the head and Mrs. Clayton suffered bruised knee. They were taken to St. Elizabeth's Hospital, treated, and released.

Police said the two were passengers in a southbound car on 9th driven by Henry Clayton, 56, of Utica, employe of the CB&Q., that collided with a car going east on B driven by Mary W. Worster, 64, of 410 B.

Ill Sunbather 2 Days On Beach Before Helped

MIAMI, Fla. (AP) — A 67-year-old sunbather broiled unnoticed for two days on popular Crandon Park Beach after suffering a paralytic stroke. He was listed in serious condition Sunday from the stroke and second degree burns.

Picnickers discovered James Shaefer's plight when they noticed the retired machinist lying motionless after sundown Friday.

Dade County police said the elderly Miamian suffered a stroke early Thursday.

Japanese POW's Freed

HONG KONG, (AP)—Peiping Radio announced 355 Japanese prisoners held for years by Red China on war crimes charges were repatriated.

Notice to Contractors

Sealed proposals will be received by the City Council of the City of Lincoln, Nebraska, at the office of the City Clerk, up to 10 o'clock a.m., Central Standard Time, Wednesday, June 27, 1956, for the construction of the water mains in Water District No. 451, being in 41st Street from Van Dorn Street to the north line of Hollingsworth Heights, 44th Street from Van Dorn Street to the north line of Hollingsworth Heights, Van Dorn Street from 40th Street to 44th Street, Austin Drive from 41st Street to the north line of Hollingsworth Heights, Neville Avenue from Austin Drive to Anderson Drive, and Anderson Drive from Van Dorn Street to 44th Street, in said City, according to the plans and specifications of the City Engineer on file in the office of the City Clerk.

Plans and specifications may be seen and blank proposals obtained in the office of the City Engineer.

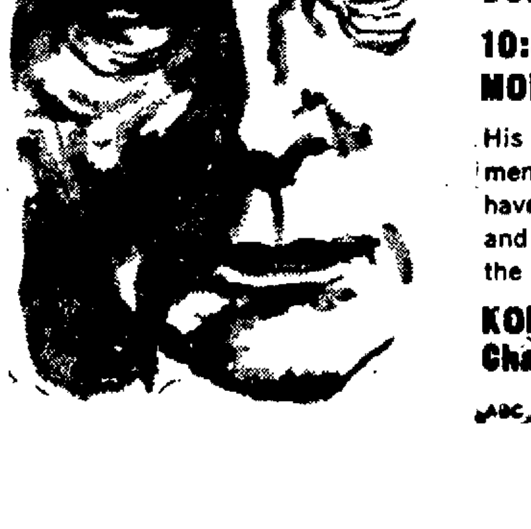

The City Engineer's estimate of the cost of these water mains is $20,600.00.

Each proposal must be accompanied by a certified check for $1,030.00, made payable to Frank J. Miller, City Treasurer, as a guarantee of good faith.

The City reserves the right to reject any or all proposals and to waive any defect in proposals.

THEO. H. BERG, City Clerk.

Weekend Incidents Blamed On Teens

Lincoln's teenagers gave police a headache over the weekend.

William Brasch of 3316 No. 48th told police several unidentified boys threw a rock through his screen door and into the living room where he was sitting. He related to police that he ran after one of the boys and caught him, but let him get away without getting his name. Damage extended only to the screen.

Two teenage boys, age 13 and 15 were seen breaking out a window of the door to the Moose Lodge at 6007 Havelock Ave., by smashing through the door. Police valued the damage at $4.

Three young Lincolnites, ages 11, 7 and 9 were apprehended by police after they had entered a vacant house and taken keys from 1141 H Street. They were told to appear at police headquarters Monday morning.

And police received a report from the manager at Williams Nursery at 1742 No. 48th that a plate glass window, 10 by 8 feet, was damaged by a BB gun. Value of the window was not immediately known.

Purse Said Stolen

Janet Deckinger of Johnson Hall at Wesleyan reported her purse containing $25 and other small items was stolen from the top of her desk at 3100 South 24th, police said. Police were notified by her boss, Bud Williamson of 1660 Van Dorn.

Notice of Police Sale

Notice is hereby given that on Tuesday, July 3, 1956, at 2 o'clock p.m., there will be sold at public auction at Police Headquarters, 10th & Q Streets, Lincoln, Nebraska, to the highest bidder, all property left in the custody of the Chief of Police of the City of Lincoln, which has remained in his custody for a period of three months or more.

JOSEPH T. CARROLL,
Chief of Police.

Notice to Contractors

Sealed proposals will be received by the City Council of the City of Lincoln, Nebraska, at the office of the City Clerk, up to 10 o'clock a.m., Central Standard Time, Wednesday, June 27, 1956, for the construction of the sewers in Sewer District No. 624, being in 41st Street from Van Dorn Street to the north line of Hollingsworth Heights, 44th Street from Van Dorn Street to the north line of Hollingsworth Heights, Austin Drive from 41st Street to the north line of Hollingsworth Heights, and Anderson Drive from Van Dorn Street to 44th Street, in said City, according to the plans and specifications of the City Engineer on file in the office of the City Clerk.

Plans and specifications may be seen and blank proposals obtained in the office of the City Engineer.

The City Engineer's estimate of the cost of these sewers is $5,600.00.

Each proposal must be accompanied by a certified check for $280.00, made payable to Frank J. Miller, City Treasurer, as a guarantee of good faith.

The City reserves the right to reject any or all proposals and to waive any defect in proposals.

THEO. H. BERG, City Clerk.

Notice to Contractors

Sealed proposals will be received by the City Council of the City of Lincoln, Nebraska, at the office of the City Clerk, up to 9 o'clock a.m., Central Standard Time, Monday, July 2, 1956, for the construction of Pavement Revision in 27th Street at "A" Street and "C" Street, in said City, according to the plans and specifications of the City Engineer on file in the office of the City Clerk.

Plans and specifications may be seen and blank proposals obtained in the office of the City Engineer.

The City Engineer's estimate of the cost of these pavement revisions is $4,000.00.

Each proposal must be accompanied by a certified check for $200.00, made payable to Frank J. Miller, City Treasurer, as a guarantee of good faith.

The City reserves the right to reject any or all proposals and to waive any defect in proposals.

THEO. H. BERG, City Clerk.

Notice to Dealers in Crushed Rock

Sealed bids will be received at the office of the City Clerk of the City of Lincoln, Nebraska, up to 10:00 o'clock A.M., Thursday, July 5, 1956, for furnishing 1500 tons, more or less, of crushed rock for use of the Paving Repair Department in accordance with specifications for same on file in the office of the City Clerk.

Copies of the specifications may be obtained in the Purchasing Department.

The estimate of cost for furnishing this crushed rock is $4,500.00 F O B Lincoln.

Each bid must be accompanied by a certified check in the sum of five (5) per cent of the total amount bid, made payable to the order of Frank J. Miller, City Treasurer, as a guarantee of good faith.

The City reserves the right to reject any or all bids and to waive any defect in bids.

THEO. H. BERG, City Clerk.

THEO H. BERG, City Clerk

Notice to Contractors

Sealed proposals will be received by the City Council of the City of Lincoln, Nebraska, at the office of the City Clerk, up to 10 o'clock a.m., Central Standard Time, Wednesday, June 27, 1956, for the construction of the paving in Paving District No. 1406, being in 56th Street from Vine Street to Holdrege Street, in said City, according to the plans and specifications of the City Engineer on file in the office of the City Clerk.

Plans and specifications may be seen and blank proposals obtained in the office of the City Engineer.

The City Engineer's estimate of the cost of this paving is $41,500.00.

Each proposal must be accompanied by a certified check for $2,075.00, made payable to Frank J. Miller, City Treasurer, as a guarantee of good faith.

The City reserves the right to reject any or all proposals and to waive any defect in proposals.

THEO. H. BERG, City Clerk.

Notice to Contractors

Sealed proposals will be received by the City Council of the City of Lincoln, Nebraska, at the office of the City Clerk, up to 10 o'clock a.m., Central Standard Time, Thursday, July 5, 1956, for the construction of the water mains in Water District No. 436, being in 56th Street from Wilshire Boulevard to Holdrege Street and Holdrege Street from 56th Street to 57th Street, in said City, according to the revised plans and specifications of the City Engineer on file in the office of the City Clerk.

Revised plans and specifications may be seen and blank proposals obtained in the office of the City Engineer.

The City Engineer's estimate of the cost of these water mains is $18,500.00.

Each proposal must be accompanied by a certified check for $925.00, made payable to Frank J. Miller, City Treasurer, as a guarantee of good faith.

The City reserves the right to reject any or all proposals and waive any defect in proposals.

THEO H. BERG, City Clerk.

Notice to General Contractors

Sealed proposals will be received by the City of Lincoln, Nebraska, at the office of the City Clerk, Theo. H. Berg, until 10:00 o'clock A.M., Central Standard Time, July 3, 1956, at which time and place all proposals will be immediately and publicly opened and read, for Contract No. 6, "Ashland Well Field, Roadways, Embankments and Fencing", as shown in this Notice, and more fully explained in complete plans and specifications on file with said City Clerk.

The work consists of furnishing all materials, equipment and supplies and the construction of said Contract No. 6, in accordance with plans, specifications and all other Contract Documents, said Contract being briefly described as follows:

13,000 sq. yds. stabilized roadway.
12,000 cu. yds. earthwork including dikes and pump house bermes.
1,265 lin. ft. chain link fence including gates.
4,800 lin. ft. barbed wire and hog tight line fencing, including gates.
60 lin ft. 24" culvert.
33 cu. yds. rock rip-rap.

The Engineer's estimate of cost is the sum of $25,975.00.

A performance bond, in amount equal to 100% of the contract price, shall be supplied by the successful bidder as part of his contract.

Each bid must be accompanied by a certified check or cashier's check, drawn on a bank which is insured by the Federal Deposit Insurance Corporation, in a sum equal to at least 5% of the amount bid, and made payable to Frank J. Miller, City Treasurer of Lincoln, Nebraska, as guarantee that the bidder to whom the award is made will enter into contract and furnish the required bond.

Detailed plans and specifications may be seen in the offices of the City Clerk; Director of Department of Parks, Public Property and Improvements; and the Consulting Engineers, Fulton & Cramer, 922 Trust Building, Lincoln, Nebraska. Bidders desiring plans and specifications for their individual use may obtain the same from the office of the Consulting Engineers upon a deposit of Ten Dollars per set. If such plans and specifications are returned to said Engineers in good condition, within 10 days after the contract award, by those who submit bids or who submit evidence that bona fide quotations were made to prime bidders, a refund of the full deposit will be made. No refund will be made to those who do not meet the above conditions.

Bids made upon blanks other than those furnished with the Contract Documents, or exact duplicates thereof, will be rejected.

The City reserves the right to reject any and all bids and to waive informalities in bids submitted.

The City also reserves the right to take up to 15 days for consideration of the bids received, during which time no bids may be withdrawn.

CITY OF LINCOLN, NEBRASKA.
Theo. H. Berg, City Clerk.

NOTICE OF SPECIAL ELECTION

Pursuant to resolutions duly adopted by the Board of County Commissioners of Lancaster County, Nebraska and the Commission of the Lincoln-Lancaster County, Nebraska, Building Authority, Inc., and certified to the Election Commissioner of said county, the undersigned do hereby proclaim and give notice of a special election to be held in the County of Lancaster, Nebraska, on Tuesday, June 26, 1956, between the hours of 8:00 A.M. and 8:00 P.M., to submit to the legal voters of the City of Lincoln and County of Lancaster, for acceptance or rejection, by a popular referendum, the proposition immediately following, which election will be open during the hours stated at the usual polling places within said county, the form of such proposition to be as follows:

A proposition to authorize the Lincoln-Lancaster County, Nebraska, Building Authority, Inc., to issue self-liquidating revenue bonds for the purpose of acquiring, furnishing, equipping, owning, improving, enlarging, operating, and maintaining a building or buildings and the necessary site or sites therefor for the use of the County of Lancaster and the City of Lincoln in the State of Nebraska.

Shall the Lincoln-Lancaster County, Nebraska, Building Authority, Inc., be authorized and empowered to borrow money in an amount not to exceed Four Million Five Hundred Thousand Dollars ($4,500,000), and in evidence thereof issue self-liquidating revenue bonds for the purpose of acquiring, furnishing, equipping, owning, improving, enlarging, operating, and maintaining a building or buildings and the necessary site or sites therefor for the use of the County of Lancaster and the City of Lincoln in the State of Nebraska?

Such bonds to be refundable, from time to time at maturity or prior to maturity with the consent of the holders thereof unless said bonds are subject to redemption prior to maturity, all of which bonds shall be payable solely and only from the revenues of such property, such revenues to be deemed to include payments made under any lease or other contract for the use of such property, and no such bonds shall be issued unless the property, the revenues of which are so pledged, has been leased by said Building Authority for a period extending beyond the last maturity of such bonds. Such revenue bonds shall not be a general obligation of the said Building Authority (or of the City of Lincoln, Nebraska, or the County of Lancaster, Nebraska), and no taxes shall be levied for the payment of either principal or interest of such bonds, but said bonds shall be payable solely and only from the revenues to be derived from the operation of such property, and whenever any such revenue bonds are issued the revenues derived from the operation of such property shall be used and pledged to pay the cost of operation and maintenance of the said property and to pay the principal of and interest upon the revenue bonds of the Building Authority issued hereunder, and to carry out any covenants that may be made in and by the resolution hereinafter provided for, authorizing the issuance of such bonds for the assurance of the payment of such bonds, and it shall be the duty of the governing body of the Building Authority to charge rates for rentals and service of said property sufficient at all times to pay the cost of operation and maintenance thereof and to pay the principal of and interest upon all revenue bonds issued under this proposal, and to carry out any covenants that may be provided in the resolution authorizing the issuance of any such bonds.

Any such revenue bonds issued under this proposal shall be authorized by a resolution which shall describe in a general way the proposed project, fix the principal amount of said bonds, and fix the maturities thereof which shall not exceed forty years from date of said bonds and shall include such covenants as may be deemed necessary or desirable to assure the successful and profitable operation of said property and prompt payment of the principal and interest of said bonds, and said bonds shall be sold by the governing body of the Building Authority in such manner as the governing body shall determine at public sale, except that if issued to bear interest at the rate of three and one half per cent annually the bonds shall be sold for not less than par and accrued interest. The selling price of bonds bearing less than three and one half per cent interest shall be such that the interest cost to the Building Authority of the money received from the bonds sold shall not exceed three and one half per cent annually computed to absolute maturity of the bonds according to standard tables of bond values. The holders of any of the revenue bonds or any of the coupons of any revenue bonds issued under this section in any civil action, mandamus or other proceeding may enforce and compel the performance of all duties required by this section and the covenants made by the Authority in the resolution providing for the issuance of such bonds, including the making and collection of sufficient rentals and charges for the specified purposes and for the proper application of the income therefrom.

VOTE "FOR" OR "AGAINST"

☐ I vote FOR the proposition and FOR the issuance of said bonds.

☐ I vote AGAINST the proposition and AGAINST the issuance of said bonds.

In witness whereof we have set our hands and the official seals of said bodies this 23rd day of May, 1956.

(SEAL) Lincoln-Lancaster County, Nebraska, Building Authority, Inc.
Attest: Curtis C. Kimball, Chairman,
Chauncey E. Barney, Secretary.
(SEAL) Board of County Commissioners of Lancaster County, Nebraska,
Attest: Russell Brehm, Chairman
J. B. Morgan, County Clerk.
(SEAL) Harold Gillett, Election Commissioner, Lancaster County Nebraska.

Farms for Sale 75

AN AUCTION
IMPROVED 157 ACRES—
UNIMPROVED 80 ACRES
SEWARD COUNTY
Sat. July 7, on premises, 1:30 PM. well located land 4 miles west & 2 miles south of Milford on paved Hiway 6 then ½ mile west on gravel. (26 miles southwest of Lincoln). Improved 157.1 acres: 9 room 2 story home, barn 44x66, corn-crib & granary, chicken house, machine shed & other buildings. The unimproved 80 acres adjoins the improved farm on the south. The 157.1 acres are practically level, the 80s somewhat rolling. There are 45 acres pasture & 20 acres alfalfa on the entire farm, balance is in a high state of cultivation. Farms will be offered separately and as a whole, selling whichever way brings the highest total. Possession March 1, 1956, ⅖ths of the corn & milo go to purchaser. Inspect this good land at any time. Archie Yeackley, the tenant, will be pleased to show the land. Write-call the auctioneers for full sale bill. If you are looking for good land, do not fail to inspect these 2 farms. They positively sell to the highest bidder (s)—No Court confirmation. The land has been in the family for 71 years and has been well farmed thruout the years. Heirs of Joseph & Fanny Yeackley, Owners. A
FORKE BROS., & FICKE,
THE AUCTIONEERS.

Here is a pleasant little game that will give you a message every day. It is a numerical puzzle designed to spell out your fortune. Count the letters in your first name. If the number of letters is 6 or more, subtract 4. If the number is less than 6, add three. The result is your key number. Start at the upper left-hand corner o fthe rectangle and check every one of your key numbers, left to right. Then read the message the letters under the checked figures give you.

BAERING DOWN ON THE NEWS By Arthur 'Bugs' Baer

When filling out the early summer complaint blanks the Democrats said they couldn't keep the Republicans out of their primaries.

☆ ☆ ☆

There's been a lot of premature claim jumping on both sides of the imaginary fence. Remember Frank Hague's task force of conniving commandos?

Bugs Baer

☆ ☆ ☆

The Jersey City statesman had a remuda of 100,000 political mavericks. He voted 'em more ways than switches in a freight yard.

☆ ☆ ☆

We must explain the difference between a statesman like Frank Hague and a politician. When a statesman spots a pin on the floor he picks it up. A politician does a back-bend and grabs it with his teeth. The hard way.

☆ ☆ ☆

A voter in the primaries may be a totally different citizen in November. In my old home town he was two or three.

☆ ☆ ☆

It's tough to tell a Republican from a Democrat in the summer. In winter the Republican is the fellow with the overcoat.

Considerate Thief

NOGALES, Mexico (AP) — Hugo W. Miller reported that even the pickpockets were in a good mood during a festival at this town on the U.S. border. A thief stole his wallet, but, reported Miller: "The pickpocket was considerate. He even buttoned my pocket again after lifting my purse."

Printing Contrast

ASHTON, Id. (AP)—Ralph Hunter editor of the Ashton Herald, received a letter from Heber Hartvigsen of the San Diego Union, who published the first newspaper in Ashton. Hartvigsen wrote that the Union's new presses could turn out 52,500 copies of a 96-page newspaper in an hour. Hunter made some computations and wrote back that at that rate, one edition of the weekly Herald could keep the Union's presses humming for exactly three and one-third seconds.

Saturday's Answer

DAILY CRYPTOQUOTE

Here's How To Work It

A X Y D L B A A X B
B L O N G F E L L O W

One letter simply stands for another. In this example A is used for the three L's, X for the two O's, etc. Single letters, apostrophes, the length and formation of the words are all hints. Each day the code letters are different.

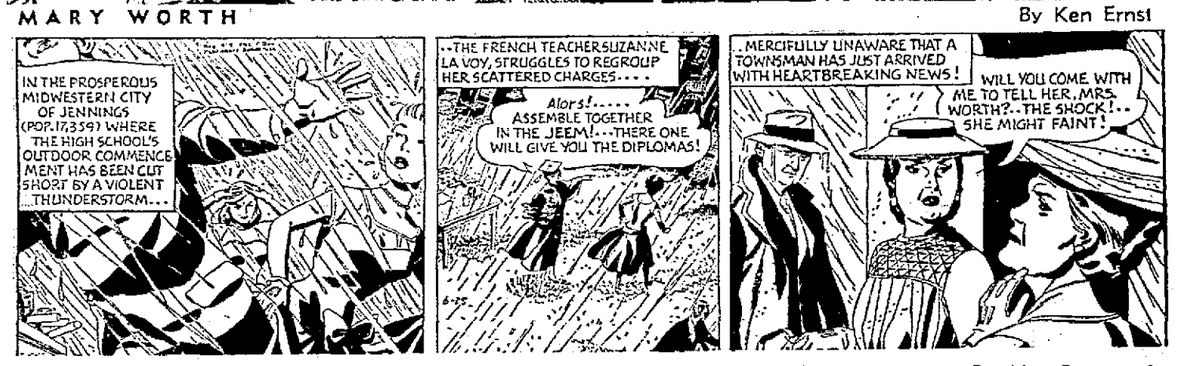

A Cryptogram Quotation

G B S X B V M N W F Z X B Z H, N M R N J D C K R X H K V N M F Z E H R C W, D W H X H W W D K-W H H K R W X R S O W B K W H O D X T M C H W—O F O H.

Saturday's Cryptogram: A MISANTHROPE I CAN UNDERSTAND—A WOMANTHROPE NEVER—WILDE.
